HALLOWEEN PARADE OCT. 31

EARLIER OR LATER? That is the question which brings the perplexed look to the face of Sandra Homerding, 6-year-old daughter of Mr. and Mrs. Robert Homerding, Mokena, as she studies the clock preparatory to changing it from daylight saving to central standard time. The change will take place officially at 2 o'clock Sunday morning, Oct. 27, altho most folks will make the shift Saturday night when they retire. Set the clock back an hour and you can spend the rest of the night arguing whether it is earlier or later.

Cornerstone Laying At St. Jude Attracts Over 200 Spectators

Some 200 persons were present last Sunday afternoon, Oct. 20, when Msgr. Romeo Blanchette, chancellor of the Roman Catholic Diocese of Joliet, laid the cornerstone for the new \$115,000 St. Jude church at New Lenox.

Father Dennis Hall, O. F. M., pastor of the parish since December, 1949, assisted the Monsignor, with 12 priests from Joliet, Mokena, Westmont, Midlothian and Corpus Christi parish, Chicago, participating in the ceremony.

Father Jervase Brinkman, O. F. M., Catholic chaplain of the Illinois state penitentiary, served as commentator and read the prayers in English, as Msgr. Blanchette blessed the site for the altar and laid the cornerstone.

A copper box was placed in the cornerstone, containing pictures, coins that were minted in 1957, a history of the parish, a list of the parishioners and the latest issues of The New World, the Catholic diocesan paper, and The New Lenox Press.

The priests then sang the Litany of the Saints, the responses being sung by the church choir and the congregation.

Following the blessing of the church foundations, the procession returned to the church. The Benediction of the Blessed Sacrament concluded the ceremony.

Work on the church is progressing satisfactorily and the congregation is hopeful that it will be ready in time for Easter. The side and rear walls are of brick and the front will be of stone.

There are approximately 350 families in the parish.

J. C. Baskerville Opens Funeral Home at N. Lenox

(Picture on Page 11)

John C. Baskerville, a member of the Will County Funeral Directors Association, has opened the recently completed funeral home bearing his name at Lincoln highway and Robert st., on the east side of New Lenox.

It is a tri-level building, trimmed with Joliet limestone. The spacious chapel is located on the main level and is attractively decorated in soft tones of gray and rose. Indirect lighting, concealed in the window cornices, aid in eliminating any shadows.

A large planter box divider of redwood and Roman brick adds a note of color at the main entrance.

The lounge, which is done in antiqued knotty pine is located on the lower level. Also on that floor are the casket display and preparation rooms. A family room is located on the main level.

Mr. Baskerville, who is a registered embalmer, has been employed in the business for many years in the Joliet area.

He also offers ambulance service.

Festivities Will Begin At 7 p.m.; To Award Prizes For Costumes

Lutheran's Will Observe 440th Anniversary At Program Sunday

Lutheran churches of the area who are affiliated with the Missouri Synod are among the 40 congregations of communities south of Chicago sponsoring the 440th anniversary of the Reformation of the Church by Martin Luther to be observed this Sunday, Oct. 27.

The observance is to take place in the gymnasium of Bloom township high school at Chicago Heights.

A general invitation is extended to the public to attend.

Among the congregations sponsoring the affair three from Tinley Park—St. John, 183rd near Crawford, the Rev. Henry F. Meyer, pastor; St. Paul, Volmer rd. and Ridgeland ave., the Rev. John W. Petersen pastor; Trinity, 159th st., the Rev. Carl Hoeh, pastor; Immanuel Lutheran church, Mokena, the Rev. A. W. Gode, pastor; Trinity, New Lenox, the Rev. Leonard Reinke, pastor; Church of the Good Shepherd, Frankfort and Immanuel of Matteson, the Rev. Adolph Ullrich, pastor at both and Christ Lutheran church at Orland Park, the Rev. Adolph Lach, pastor.

The program Sunday will include an address by Dr. John W. Choitt, professor at Concordia Teachers college, River Forest; congregational singing and anthems by a mixed chorus of 150 voices under the direction of Alvin Hitzemann, music director at St. Paul's church, Dolton. A children's chorus of 200 members will also sing. The children's chorus is directed by Elton Rudolph, music director at St. Paul's church, Chicago Heights.

Those in charge say there is ample parking space, at the school and the shopping center across the street.

Vandals Wreck 40 Tombstones At New Lenox

Vandals invaded Maplewood cemetery at New Lenox last week-end and overturned approximately 40 tombstones, some have been righted but 29 are still down.

Some of the stones are broken. The damage was confined to the southwest section of the cemetery. This is known as the "old cemetery" altho there are many graves in this section marked with modern monuments.

There are six of these modern type stones lying overturned west of the road leading in from Haven ave., about 50 yards in from the gate. What names these memorials bear will not be known until someone comes along with a block and tackle or a truck winch and sets them upright. The portion of the stones bearing the names have been pushed from their bases and they are quite heavy.

There are quite a number of others that have been toppled over so that the name is not

(Continued to Page 12)

Halloween will again bring much activity and fun to Mokena, when the usual children's costume parade and bonfire will be held, next Thursday evening, Oct. 31.

The festivities will begin at 7 p.m. at the public school on Carpenter st. where the children including pre-school age, will gather in costumes. The group will leave from the school and march to Front street thence west to Wolf road and south on Wolf rd to the VFW hall. Marching music will be provided by Mokena's Teen-age orchestra under the supervision of Norval Robinson. All children are invited to join the parade and festivities.

Arriving at the VFW hall, the usual prizes will be given for the best costumes. This part of the festivities will be under the auspices of the Ladies Auxiliary of the Amvets.

Refreshments at the hall will be served under the auspices of the William Martin Post 725 Veterans of Foreign Wars and there will be a large bonfire, weather permitting. The usual wiener roast will be enjoyed at the bonfire.

Orchestra to Play

This will be the first time that Mokena's new orchestra, The Teen Agers will participate in the Halloween celebration, both during the parade and in the hall.

Everyone is invited to watch the parade when the ghosts are scheduled "to walk."

Gather UNICEF Funds

In addition to all the above, the usual tricks and treats will be carried on. As in the past few years the children of both the public schools and St. Mary's parochial school in the 5th to 8th grades will call at the homes during the day and evening of Wednesday, Oct. 30. They will

Yellow Iris Makes Fall Appearance in Orland Park Garden

Flowers that bloom in spring are welcome, but when they bloom again in the fall, they are a rarity and doubly welcome.

But golden yellow iris are blooming in the garden of Mrs. Lester Sayers, of 159th and Wolf rd., Orland Park. The flowers also bloomed last spring.

Mrs. Sayers has no explanation for this unique appearance of the yellow iris. It has never happened before and none of the varieties of iris in her garden are blooming.

Motorists taking trips should plan their routes in advance so that unsafe, sudden turns are not necessary to get from one route to another, the Chicago Motor club advises. Road maps are easy to read, so motorists should know in advance which direction they will be turning when they change routes.

LAY CORNERSTONE—Msgr. Rome Blanchette, chancellor of the Diocese of Joliet, officiated at the cornerstone laying at St. Jude's church at New Lenox last Sunday. At the right (behind the altar boy) is Father Dennis Hall, O.F.M., pastor of St. Jude's. (Robert Porter photo)

Tinley Personals

A turkey supper will be served Wednesday, Nov. 6, from 5 to 8 p.m. in St. Paul's Lutheran church, Sedan Prairie, Vollmer road. The supper is being sponsored by the Ladies Aid and is being given in place of the regular fall bake sale. Reservations should be in by Oct. 31, and may be made by phoning KE 2-3137 or KE 2-2157.

At the Oct. 16 meeting of the Nazarene Foreign Missionary society, the members were privileged to see a 30 minute film entitled "The Sun Shall Also Rise", depicting life in Japan, and the effects of the war on the people. The group was given a treat composed of imported Japanese jelly and cookies. The study this year is on Japan and the meetings have been very interesting and well presented by the study chairman, Mrs. Philip Fowler.

Baptist Missionary

The W.M.S. of the First Baptist church met Oct. 17, at which time an interesting program was presented by various members. Members present were the Mesdames Clara Belver, Mary Lou Backer, Jean Manning, Eulene Nichols, Fanny Belle Baylis, Opal Baylis, Yvonne Bunte, Lorene Finney, Janet Johnson, Laura Johnson, Ruth Jenkins and Sandra Cozart. Following the program a baby shower was given for Mrs. Sandra Cozart. Many lovely gifts were received. Mrs. Ruth Jenkins served refreshments.

Brownie Cookout

Brownie troop 267 had a cookout at Tinley Creek woods Oct. 7. They hiked and played games. On Oct. 15 three of their members flew up into troop 335 of which Mrs. Sydney Fjellwell and Mrs. Robert Suhs are leaders. Janet Suhs Sharon Wallen becker and Lynn Ness received their wings from Mrs. Irwin Johnson inasmuch as their leader, Mrs. Martin Benson, was unable to attend. The members of troop 335 prepared the decorations program and refreshments.

Zion Mission Guild

The program "Sweet Land of Liberty" was given by Mrs. Caroline Deck at the Zion Mission Guild meeting Oct. 21. Devotions were given by Mrs. Mildred Cleveland. Mrs. Chester Frost was a guest.

Plans were made for Loyalty Sunday, Oct. 27. The November project will be the Harvest Festival in which thank offerings of food and cash will be received Sunday, Nov. 24. Thanksgiving Day and Sunday, Dec. 1. These gifts will be sent to an old peoples home. Refreshments were served by Mesdames Margaret Hahn and Grace Suhs.

Mrs. Henry Willis suffered a broken ankle Sunday in a fall. She is in the Roseland Community hospital. Her many friends wish her a speedy recovery.

Mrs. Mary Lowery of Crea Springs, Ill., is visiting her daughter and family, the Lowell Farquhars and her son James and his family.

Mrs. Carrie Lewis of St. Louis, spent the week with her son and family, Mr. and Mrs. Glen Lewis.

Mr. and Mrs. Albert Ihlenfeld and sons of Owatana, Minn., were week-end guests of Mr. and Mrs. Irwin Hager and Mrs. Catherine Ihlenfeld.

Mr. and Mrs. Glenn Smetana of Ozark ave., announce the birth of a son, named Brad Bruce, born Oct. 9 in Silver Cross hospital. The young man weighed nine pounds, six ounces. He was welcomed home by his brother Mark, 3½ and sister, Lynn, 2.

Lt. Norman L. Haney, son of Mr. and Mrs. Clark M. Haney, celebrated his ninth anniversary with the U.S. Navy Nov. 5. Lt. Haney is a pilot in the Helicopter Rescue squad.

William Funk has returned from a hunting trip to Crane Lake at Havana.

Mrs. Mildred Segal of Fresno, Calif., was a week-end guest at her sister's home, the Walter Kesters.

A very lovely baby shower was given for Mrs. Ova Lowery at her mother's home, Mrs. Emil Bianchi on Thursday evening.

REV. AND MRS. HENRY F. MEYER congratulated by a young friend Patty Hope.

Lutheran Congregation Honors Pastor On 40th Anniversary

The Rev. Henry F. Meyer, who has been a Lutheran minister for 40 years, has missed preaching only two sermons because of illness in all that time.

The congregation of St. John Lutheran church in Cooper's Grove where he has served as pastor for 28 years, honored him on his 40th anniversary as a minister in the Missouri synod at special vesper services held in the church last Sunday.

Prior to coming to St. John's the Rev. Meyer was pastor of a church in Pontiac for five years and one in Thornton for seven years.

He was ordained as a pastor of the Lutheran church on Sept. 9, 1917, and is a graduate of the Lutheran Theological Seminary in Springfield. He was born in Woodworth, where his father still resides, on Feb. 18, 1894. Unfortunately, his father was unable to attend the celebration because of illness.

While in Pontiac he married the former Esther Bauer, of Chicago Heights. They have four children: Mrs. Reinhart Meyer, and Marvin, of Tinley Park; Mrs. Waldemar Jung, of Matteson, and Carol who lives

A large group of relatives and friends gathered for the occasion and presented her with lovely and useful gifts.

Mrs. Catherine Bartholomew has returned from five weeks training of advanced hair design and permanent waving given by the Virginia Farrell School in Detroit, Mich. Mrs. Bartholomew also had the pleasure of visiting with her son and family, Andy Bartholomew, in New York city.

Genial Harry Trevarthen of the Tinley Park Chamber of Commerce has been quite uncomfortable the past week with a severe bout of bursitis. X-rays were taken Monday. It is hoped he soon will be relieved of the terrific pain and much improved.

Under the direction of Mr. and Mrs. Marshall Schooley a Junior Fellowship is being organized at the Tinley Park Methodist church. Their first meeting will be Sunday, Oct. 27 at 5 p.m. Fifth and sixth graders are welcome.

Ben Bettenhausen and nephew Larry W. Bettenhausen, are visiting in Wishek, N. Dakota where they attended the wedding of Oliver W. Bettenhausen Jr. While in that vicinity they will spend sometime visiting both the Oliver and William Bettenhausen families as well as friends.

Mr. and Mrs. Fred R. Breitbarth are receiving congratulations on the birth of a grandson, to Mr. and Mrs. William Morris of Homewood. Mrs. Morris is the former Charlotte Breitbarth. The Morris family have a daughter Debra Lynn.

Mr. and Mrs. Maxwell Hamilton of 17211 69th ave., are entertaining the former's parents from Jefferson county, southern Illinois over the weekend.

Mrs. John Swisher was the

at home.

Present Purse

The Rev. E. A. Krause, of Lansing, was the guest speaker at the vesper service. The congregation presented the pastor with a purse on the celebrated occasion.

Following the service a buffet supper was served to guests and members in the school of the congregation.

Serving on the committee at the surprise celebration were Mr. and Mrs. Adney Kollman, Mr. and Mrs. Theodore Neiffelt, Mr. and Mrs. Walter Schilling, Mr. and Mrs. Erwin Wille, Mr. and Mrs. Alfred Ehrich, Mr. and Mrs. Richard Hillger. Mr. Hillger a former teacher in the St. John Lutheran school, is secretary of the congregation. Advisory members of the committee were Mr. and Mrs. Richard Nordbrook. Mr. Nordbrook is the present principal and teacher of the upper grades of St. John's Lutheran school.

The church and school are located on 183rd street between Crawford and Cicero ave. The church has one of the oldest congregations in northern Illinois, having celebrated its centennial about ten years ago.

honored guest when her daughter in law, Mrs. Dick Swisher entertained the Birthday Club on Thursday of last week at luncheon. In the evening, a family birthday cake with all the trimmings was the center of attraction as Mrs. Swisher blew out the candles for another year of health and happiness.

Mrs. Troy Melvin of Sayre avenue was hospitalized last week following a serious relapse of the flu.

Robert and Richard Breitbarth, twin sons of Mr. and Mrs. Fred Breitbarth attended a banquet last Tuesday at Midlothian Country Club which was held for all golf caddies. Both boys were the recipients of beautiful watches, cash and sport shirts.

Mr. and Mrs. Robert Funk, Laurie, Kay and Fran Swisher have returned from a week spent in the Washington, D. C. area and New York City.

Dinner guests last Thursday evening of Mr. and Mrs. Lester Rabenau, were her nephew Lyle Pilcher of Woodstock, Mrs. Margaret Semmler and Mrs. Adeline Smith of Mokena.

Moore Will Attend Board Meeting of Police Chiefs Group

Tinley Park Police Chief Harold C. Moore and Mrs. Moore will attend a luncheon in Joliet on Oct. 30. The occasion is the meeting of the executive board of the Illinois Association of Police Chiefs. While their husband confab and exchange notes on suburban police, their wives will be taken on a tour.

125 Honor William Seemans At Open House On 45th Anniversary

About 125 guests called last Sunday afternoon at the home of Mr. and Mrs. Delbert Seeman in Frankfort where open house was held in honor of his parents, Mr. and Mrs. William Seeman and their 45th wedding anniversary.

Mrs. Seeman had a white carnation corsage and her husband had a boutonniere of the same flower, presented to them by their children.

At the open house, Mrs. Edgar Hintz was in charge of the guest book; Mrs. William Christian, Chicago presided over the silver coffee urn and Mrs. William Tietz, Hinsdale, served the punch. The serving table was covered with a white lace cloth and centered with a bowl of garden flowers.

The anniversary family dinner was served at 6:30 in the home of the couple's daughter, Mr. and Mrs. Orville Schinkowski. Also being observed the same day were the birthdays of Mrs. Schinkowski and her daughter Rita's 10th birthday.

Present at the celebration were the attendants at the wedding 45 years ago: Mrs. Christian, Edgar Hintz and Herman Dettering of Matteson.

The honored couple have three children, Mrs. Schinkowski, their daughter and sons, Delbert and Howard all of Frankfort; two grandsons and two granddaughters.

Beside gifts which included lovely plants, they also received a purse of money.

Guests came from Chicago, Hinsdale, Matteson, Beecher and Mokena.

Gun Club to Hold Pheasant Shoot

The Palos Highlands Rod and Gun club will conduct a field trial and put and take shoot. The affair will be held on the William Hecht farm on 191st Oct. 27, that is open to all comers, about two blocks east of U.S. 45. The land is leased by the club and stocked with pheasants. Shooters may bring their dogs. There is a charge for each bird killed. The regular pheasant season does not open until next month.

Hold Funeral Rites For Edmund Baudry Monday, Oct. 21

Funeral services for Edmund H. Baudry, of Mokena, were held Monday, Oct. 21, in the Hirsch Chapel, Tinley Park. The Rev. Jerald Jackson, pastor of the Mokena Methodist church officiated. Burial was in St. John's cemetery, Mokena.

Mr. Baudry, who had been an invalid all of his life, died Saturday, Oct. 19, in his home. He had been seriously ill for the past two months. During his lifetime he was cared for by his mother, who was assisted by his sister, in caring for him.

He is survived by his parents, Mr. and Mrs. Florimond Baudry, sister Lydia and brother Stanley E., all of Mokena.

He was born in Terre Haute, Ind., on Dec. 14, 1917 and lived in Mokena for the past 28 years.

Chest Drive Exceeds Goal

The 1957 Joliet-Will county Community Chest campaign exceeded its \$268,995 goal by \$519.60. The drive ended with a final report dinner Monday night, Oct. 21.

County Division Chairman E. B. Workman received a "Red Feather Oscar" for the outstanding work of the county-towns division. County workers reported contributions amounting to \$14,335. City teams collected \$45,882; Employee teams brought in \$73,256; national firms \$122,255.

County division workers receiving Oscars were C. S. Stansberry of Plainfield; Mrs. Joseph Alexander of Mokena and Mrs. Paul Puhl of Troy.

Girl Scout Fund Drive Nets \$907 At Tinley Park

Appreciation for the generosity of Tinley Park residents was expressed in a joint statement to the Tinley Park Times by Ralph C. Dahma, assistant cashier at the Bremen State Bank and chairman of the recent Girl Scout fund drive, and Mrs. Elmer H. Knudsen, Girl Scout Neighborhood chairman.

In part, the statement read: "Thanks to the support of the the Times and the willingness of our citizens to back our Girl Scouts with cash contributions, we have turned over \$907 to the South Cook County Girl Scout Council to help expand the Scouting program during the coming year.

"We think this speaks strongly for the civic spirit of the community. All workers were volunteers and of course the contributors also gave freely, so we are most pleased that this one-day drive makes its possible to carry on an even better Girl Scout program in our town."

The drive was conducted on Oct. 14, when people who wished to contribute were asked to "Light the Way to Better Scouting" by leaving on porch lights to signify their home would support the Girl Scout drive.

Mokena Amvets Install Staff

The Amvets Five Point post, 183 and Auxiliary of Mokena held installation in the VFW hall on Wolf road Sunday afternoon, Oct. 20.

New officers of the post installed by George Bland of Champaign were: Tony Dina, commander; Fred Rauch, senior vice commander; Don Guendling, junior vice commander; Eric Book, adjutant; Earl Wolfgang, finance officer; Tom Fordonski, provost marshal; Andy Zink, service officer and Jim Elmore, judge advocate.

Installing the auxiliary officers was Margaret Schupp, state president, of Chicago.

Officers were, Eleanore Hostert, president; Donna Edmon, senior vice president; Cecelia Cooper, junior vice president; Kathryn Zink, secretary; Doris Book, treasurer; Evelyn Sushka, parliamentarian; Betty Florey, chaplain; Gladys Fordonski, sergeant at arms and Mickey Barenz, P.R.O.

G. F. Wannemacher Seeks Blood Donors

George F. Wannemacher, Mokena grocer who has recently undergone a major operation at Silver Cross hospital, is in need of donors to replace blood given him in transfusions. He is in need of six donors and has stated that he will pay each donor \$10. The blood may be given at the hospital any week day between 8:30 and 11 a. m.

Detect Asian Type Flu Virus in South Suburban Areas

Asian type virus has been found among students of Bloom Township High school, Chicago Heights, and the Glenwood school for boys, according to Dr. John B. Hall, director of the Cook County Health department. The virus was detected by the Illinois State Laboratory in the West Side Medical Center.

Pharmaceutical sources report there are large amounts of vaccine now available thru private doctors.

In the home, 28,000 persons died accidentally in 1956, the National Safety Council says, while 14,300 died in work accidents.

THE SOCIAL WHIRL

Weddings, Engagements, Clubs, Women's Activities

Junior Women Seek To Make Dollars Grow

"Make Your Dollar Grow" was the ways and means project planned for the year by the Orland Park Junior Woman's club, at their monthly meeting held Oct. 14 in the home of Mrs. Kenneth Bressler. Each member will be given \$1 by the treasurer, and she will make it grow by whatever means she chooses.

The club is also selling boxes of trick and treat candy for the Brain Research Foundation, a national organization to promote the construction of Brain Institutes for the improved treatment, understanding and prevention of all brain disorders. This is an Illinois Federation Junior project, and Mrs. V. J. Hansen is local chairman.

Mrs. Henry Rafacz was elected second vice president, following the resignation of Mrs. C. A. McKinley.

The following new members joined the club: Mrs. Pascal Guido, Mrs. June King, Mrs. Dorothy Johnson, Mrs. Joseph Jana, and Mrs. J. Eckel.

Mrs. William Grosskopf was in charge of the program, a play reading by several members of the club.

Hostesses for the evening were Mrs. Franklin Loebe, Mrs. J. E. Plakovic, Mrs. William Fisher, Mrs. Oscar Enk, president presided.

Bremen Auxiliary VFW, Lists Events For Next Month

At the Oct. 15 meeting of the Bremen Auxiliary to V.F.W. Post 2781, Tinley Park, the ways and means chairman Mrs. David DeVault reported on coming events for November; namely, a rummage sale Nov. 9 and a card and bunco party Nov. 19.

Mesdames M. S. Morrison, Steinhagen, and Peter Seeley made the regular hospital trip to Hines and Vaughn hospital.

It was reported that Tinley Park was well represented by 25 members at the second annual Membership Kickoff dinner of the 16th district at Chicago Heights.

Mrs. Mike Haber, cancer chairman, announced that she is again selling greeting cards, proceeds from which go to the Holy Cross hospital cancer fund.

A blood donor program is being organized by the V.F.W., with Mrs. Ray Sullivan as chairman for the Auxiliary. She is contacting all members in order to set up a file on donors and their blood types.

Two new members, Julia Loughren and Winifred Jacobs, were initiated.

Mesdames Jefferson Pennington and Kermit Mattson were hostesses at the social hour which followed the meeting. The Post will hold their annual Halloween party Oct. 26 at the Post club rooms. It will be a costume and hard time party. The public is invited. Refreshments will be served.

The Auxiliary would like to extend their best wishes and speedy recovery to Melvin Mackey who is ill.

Fall Picnic Held At Orchard Hill

Children of the Orchard Hill Farm Kindergarten, near Tinley Park, enjoyed a round-up, hayride and picnic last week on the school grounds.

Pony rides followed by a nose-bag lunch in the forest preserve were enjoyed by the small fry.

As a special feature at this annual round-up which was attended by many parents, a colored documentary entitled "The American Cowboy" realistically portrayed cowboy life on a ranch for the young dudes who were dressed in typical cowboy fashion. Later this fall parents may view colored movies of their children participating in the day's adventure.

Orland Woman's Club Plans Aid For Boys Band

There were 20 guests at the Orland Park Woman's club meeting held in the Community Center foundation, Oct. 16. Guests came from Chicago, Tinley Park, Worth, Palos Heights, Palos Park, Flossmoor, Orland Park and El Paso, Texas. Mrs. Edward M. Durkee, president of the third district, extended greetings.

Report of the card party and Silent auction; the cancer dressing group, and sale of nuts, were given.

Mrs. H. Adele Cooper, music chairman, announced that Lincoln lodge, a school which rehabilitates boys who are wards of the court, is in need of the following band instruments: three clarinets, three cornets, two alto sax, two trombones, one baritone, one snare drum, a base drum, one tenor sax, one flute, one toba E flat or F horn.

The third district of IFWC are joining in helping to obtain these instruments. Anyone who has an instrument of the above listing and would like to give it to the boys is asked to get in touch with Mrs. Cooper.

Mrs. Arthur Ochtman of Lemont, presented the "Art of Table Setting," with a display of china, trays, place mats, glassware and table linens, and demonstrated the art of selecting colored linens to enhance the beauty of china.

Refreshments were served by Mesdames Harry Anderson, Frank Buck, Joseph Kaiser, Paul Sanders, Fred Blackstone, Orville Schmaedeke and Karl Ekberg.

Coming Events

Thurs., Oct. 24—Spaghetti supper, Methodist church, Frankfort, serving to start at 5 p.m. by Senior MYF; carry-outs available.

Women's Clubs To Hold District Meeting Oct. 29

Mrs. Edward M. Durkee, Chicago, will preside when the third district, Illinois Federation of Women's clubs holds its fall meeting on Tuesday, October 29, at Ridge Park Field House, 96th and Longwood Drive, Chicago.

Major William R. Webster, executive officer of the 13th Missile Battalion will be guest speaker at the afternoon session of the meeting and will speak on the "NIKE AJAX in the anti-aircraft defense of the Chicago-Gary area."

Guests of honor include Mrs. Harold F. Dean, Mendota, vice president-director of the Northern Region, IFWC, and the following third district members who are on the IFWC board of directors: Mrs. C. J. Albrecht, Homewood, program bureau; Mrs. James B. Bailey, Chicago, civil defense; Mrs. Howard A. Bertram, Lansing, mental health; Mrs. F. Z. Gifford, Chicago, local board; Mrs. Wesley Lindquist, Chicago, credentials and revision; Mrs. George V. Malmgren, Chicago, convention program; Mrs. Lucius E. Patton, Chicago, associate editor of the "Clubwoman"; Mrs. W. Glenn Suthers, Chicago, parliamentarian; and Mrs. Chauncey M. Briggs, Chicago, executive secretary.

Will View Film

The morning program will include the invocation given by the Rev. Sherman S. Newton, rector of the Church of the Holy Nativity (Episcopal) and American citizenship chairman, Mrs. John H. Newman, Chicago will lead the pledge of allegiance.

Mrs. William A. Smith, Flossmoor, president of the Southtown Woman's club will give the welcome to which Mrs. Edward M. Durkee will respond. A film will be shown entitled, "Twenty Five Years of Progress in the Occupational Therapy Shop of Oak Forest Infirmary." The benediction will be given by Mrs. Hiram C. Muir, Chicago, public welfare chairman of the Southtown Woman's club.

After the recess for luncheon, the members will enjoy a few selections by the Evergreen Park Mother-Singers under the direction of Mrs. Ruessell Cook, Cook, Chicago.

Hostess clubs for the day will be Blue Island, Fernwood, Fernwood Evening, Gresham, Southtown, and Neighborhood Woman's clubs.

Motorists should keep windows clear of frost and heavy moisture while driving. Make sure your windshield wipers do a thorough job of cleaning the front windows. You have to be able to see danger in order to avoid it, the club says.

and bazaar, Methodist church New Lenox.

Thurs., Nov. 21—Card-bunco party, American Legion hall, Tinley Park, 8 p.m. by Auxiliary Unit 615.

Fri., Nov. 22, Bake sale, Zion Lutheran church, by Ladies Aid.

Sat., Nov. 23—Annual feather party, St. Mary's social center, Wolf Rd., Mokena.

Sat., Dec. 7—Feather party and dance, VFW hall, Mokena, anniversary Pearl Harbor, by Mokena Amvets.

MR. AND MRS. CLIFFORD COLLINS

Caroline Holm, Clifford Collins United In Double Ring Ceremony

At a formal double ring ceremony, Miss Caroline Holm, daughter of Mr. and Mrs. Louis Holm, of Mokena, became the bride of Clifford E. Collins, son of Mrs. Viola Knupp, of R.R. 1, New Lenox, on Sept. 21, at the New Lenox Methodist church.

The Rev. George Martin officiated and Charles Sass sang "Because" and "The Lord's Prayer. Organist was Miss Alma Lauffer.

On the altar was a bouquet of white gladioli and white mums and palms.

The bride's full-length gown was fashioned of white French Chantilly lace over ice blue slipper satin. The fitted bodice featured long tapering sleeves. A scalloped scooped neckline with tiny seed pearls and iridescent sequins continued on the front panel of the full skirt which fell into a sweep in the back, outlined by ruffles cascading from the waistline. Her fingertip veil of imported silk illusion fell from a crown of pearls and iridescent sequins. She carried a crescent bouquet of white mums and stephanotis, as she walked down the aisle with her father.

The matron of honor, Mrs. Howard Jackson, sister of the bride, wore a ballerina length gown of Copenhagen blue taffeta, fashioned with a band of Timaye blue velvet around the scoop neckline. Coming to a pointed caplet in the back, a bouffant skirt fell from the long torsoed bodice.

She carried a cascade bou-

quet of bronze mums and pompons and wore bronze pompons in her hair.

Best man was Howard Viwig, brother-in-law of the groom. Ushers were John Holm, cousin of the bride, and Jerry Collins, brother of the groom.

The bride's mother wore a navy blue ribbonette dress and a small navy blue velvet hat with matching accessories. She wore a white mum corsage.

The mother of the groom wore a powder blue silk over taffeta dress and a small black velvet hat with matching accessories, also a white mum corsage.

Following the ceremony a reception was held in the church parlors, where a buffet supper was served. A three-tier wedding cake centered the buffet table.

The young couple visited Wisconsin Dells on a honeymoon trip. For her going-away outfit, the bride wore an emerald green dress. Her accessories were black and a white stole completed the costume. She wore a corsage of white mums.

The couple are now at home at 9 S. Anderson, Joliet.

Three things can happen when a motorist tries to out-bluff another motorist. Either he succeeds, loses, or ties. Since losses are losses, and all ties lose, percentages are decidedly against such a bluffing maneuver.

Motorists who feel a strong pull on their steering wheel to one side of the road should pull completely off the road and investigate immediately, the Chicago Motor club warns. Quick action may prevent a flat tire from becoming ruined or it may prevent an accident due to mechanical failure.

lesson. The group is busy making Christmas gifts.

The next stated meeting will be Wednesday Oct. 30 in the home of Mrs. Smith with Mrs. George Smith and Mrs. L. Splawski assisting. Mrs. Clara-dehl Upham, county home advisor, will give the lesson on "How do you rate as the family dietitian."

Bremen Home Group Aids County Budget

The "Come As You Are" breakfast was a success. Those who did not attend missed a pleasant time. Our hostess Mrs. Genevieve Shantz assisted by the board members were congratulated for arranging a fine affair.

The old "Flu bug" was the cause of some of the absentees and also those who are working were not able to attend. The profit gained from this affair will be turned over to the Cook county home bureau as Bremen unit's share in a county-wide program to aid in paying for expenses added to 1957 budget.

The craft lesson on "Wooley Toys" was held at Mrs. William Smith's home Wednesday, Oct. 16. Mrs. Nick Schullien and Mrs. Sidney Fiewell were leaders. There were 15 present for the

Bremen Snaps Back To Edge Rams 7 to 6

Braves Can Get At Least Piece Of Title By Taking Rich Next

Bremen's hope for a piece of the Southwest Suburban conference football championship will depend upon the outcome of its encounter with thus far undefeated Rich.

The Braves have won four games and lost one in conference play. The loss was at the hands of Evergreen Park week before last. The Evergreens won that one 13 to 0. The Braves tossed this off, however, and came back last week-end to nose out the Reavis Rams, 7-6.

Reavis was unable to pick up much yardage, thru the Braves line—93 yards in all as compared to 176 for Bremen. Bremen, however, made too many fumbles, and that fact coupled with penalties incurred by the Braves kept them somewhat slowed down.

Neither team showed too much on offense—possibly because of the defensive play.

Reavis scored first, on a fumble. A Bremen pass receiver allowed the ball to squirt out of his hands when he was hit and Bob O'Connor grabbed it to score for the Rams. Vogt's kick for the extra point was smothered so the half ended with the score Reavis 6, Bremen 0.

Bremen scored their touchdown in the third—on a blocked kick! The Braves had carried the ball down to the Ram five and then fumbled, Reavis recovering. The Rams failed to gain and on third down elected to punt. Joe Lundy went crashing thru as the ball was snapped and blocked the kick. The ball was bounding loose in the end zone until the Braves' Gerry Miller flopped on it for a touchdown. Bob Yoniles gained the extra and winning point by a line plunge.

Rich Wins Cross Country Run In Conference Meet

The Rich Rockets won the third annual cross country run of the Southwest Suburban conference held last week-end at Rich.

The Rich harriers came in with a fine score of 20, for a more than comfortable win. Reavis finished second with a score of 51.

Third place was taken by Sandburg with a 64. Fourth place went to Evergreen Park, which had a total of 114, and Lincoln-Way was fifth with 123.

Church Cage Loop To Open Season Nov. 11

A Tinley Park church basketball league was reorganized last week at a meeting of the board of representatives.

The churches represented in the league are St. George, Tinley Park Methodist, and the Church of the Nazarene. The Tinley Teen club also has a team in the league.

The board of representatives is composed of the following officers: Ken Webster, president; the Rev. Dallas Mucci, vice-president; Robert Mason, secretary; Elmer Ginther, treasurer; and Wayne Goebel, events chairman.

All games will be played on Monday evenings in the Tinley Park grade school gymnasium, with the first game beginning at 7:15 p.m. The first game will be played on Nov. 11.

Each team will be allotted a practice session on Nov. 4. The league all-star game will be held Dec. 23.

Parents and friends of the players are invited to come and watch the games.

Carl Sandburg Grid Teams Show Plenty Power In Wins Over Cadets

On Saturday the Carl Sandburg Eagles, displaying power and finesse, rolled over the Morgan Park Cadets by a score of 30 to 13. The victory marked the third in a row for the Eagles, and their season record at three wins and three losses. Coaches Joe Devine and Bob Wilbur had their charges fired up and ready as they recovered their own kick-off at the start of the game and went on to rack up a new single game scoring record for Sandburg.

Al Jacklich opened the scoring with a two-yard plunge. Near the end of the first quarter, Jay Morlock set up the second score with a 40-yard return of a punt. Jim Vos ran the remaining 25 yards for the T.D. on the first play from scrimmage in the second quarter.

Meet Spartans Saturday

After the intermission, Morlock contributed a 30-yard run and the third touchdown. Tackle Jerry McNamara picked up a Cadet fumble and raced 55 yards for the fourth Eagle score. The Sandburg shut-out string was snapped after eleven quarters when Cadet Duzansky ran seven yards for a TD. Morlock matched this with a 30-yard pass to Jerry Hosier who slipped behind the Cadet secondary and ran 25 yards for the touchdown. Morgan Park scored the final TD on a five-yard pass and kicked the extra point to make the final score Sandburg 30, Morgan Park 13.

Sophs Make it No. 5

In the preliminary contest, the Eagle sophomore squad coached by Henry Meier and Marty Suchor won their fifth game in six starts as they turned back the Cadet sophs by a score of 20 to 13. Paul Busch opened the scoring for Sandburg with a three-yard plunge. Jerry McBride converted for the 7-0 score. Just before half-time intermission, Duane Erickson took a 30-yard pass from McBride and ran the remaining 20 yards for the touchdown. McBride again converted.

In the third quarter, Cadet Gleaner picked up an Eagle fumble and ran 35 yards to score. Baerenz rushed for the extra point. Morgan Park's Sappenfield stole a pitch-out from McBride and raced 40 yards to pay dirt. The attempt for the extra point was blocked and Sandburg held a slim 14-13 lead. Dick Barry iced it for the Eagles with a ten-yard touchdown run and a final score of Sandburg, 20, Morgan Park, 13.

Archery Club Plans November Turkey Shoot

The Tinley Park Archery club now has 50 enthusiastic members, men and women who meet Gene Schatz, 15440 So. Oak Park ave.

The club, which was organized by Edward Balkar and John Naughton is presently planning a turkey shoot to be held in the Bert Fulton school gym in Nov. To date, four members have qualified for the shoot tournament.

Individual scores of the archery prowess of members are kept for comparison improvement during the year.

Practically all members now have their own equipment.

Business meetings are held the first Wednesday of each month in the Schatz home. Anyone interested in joining may contact Al Cote, 8300 W. 123rd st., Palos Park by letter or at Gibson 8-6142 by phone.

The following recently were elected officers of the club: Orlie Buck, president; John Naughton, vice president; Ken Carlson, treasurer; Marie Myers, secretary; Gene Schatz, range captain; Mrs. Gene Schatz, lady parliament; Edward Balkar, social chairman; Al Cote, membership chairman; and John Bagdonas, publicity chairman.

Members express appreciation for aid given by Mr. and Mrs. Verner Powers, Mr. and Mrs. Edward Abbe, of Mokena; and Mrs. Anfield in donating used rugs for use in the gym during the indoor archery shoot. If anyone else has a used rug and desires to dispose of it, call KE 2-4706 for pick-up.

Bridal Shower

Mrs. Bernard Hoogstra and Mrs. Tony Baker entertained at a miscellaneous shower Saturday evening at Arch Inn in honor of Miss Adeline Deist of Joliet, and her approaching marriage to Mr. William Verchoorse of Mokena.

There were 18 relatives and friends present who enjoyed a social evening. A decorated umbrella in pink and white from which the many lovely gifts were presented the honored

guest. Refreshments were served including a prettily decorated cake.

At the same time a stag party was given in the same place in another room for the groom-to-be. Local friends were in attendance. Refreshments were served from a table decorated to simulate a railroad, with tracks, cars, automobile crossing, etc., as Mr. Verchoorse is section foreman at the Rock Island railroad in Mokena. A good time was had at both affairs.

Fall Luncheon

The WSCS of the Methodist church will sponsor a fall luncheon and white elephant sale to be held in the social rooms of the church today. The luncheon and sale will start at 11:30 a. m. to which everyone is invited.

Reunion Get Together

A perfect fall day was enjoyed Sunday by members of the former Young Peoples' Fellowship of the First Mennonite church of Chicago, held at the Mokena Community park. An outdoor cook-out was planned and every one's dinner smelled better than the other. Many new friends were made among the children.

The members who attended were, Mr. and Mrs. Ed, Dettman and family, Mr. and Mrs. Harold Ridderhoff and family, Mr. and Mrs. Ed. Prohaska and family, Mr. and Mrs. Harold Van Plew and family, Mr. and Mrs. John Van Lier and family, Mr. and Mrs. Robert Longdon and family, Mr. and Mrs. Harold Mitchell and family of six, Mrs. Esther Heinrich and family and Mr. John Prohaska, all of Chicago; and Mr. and Mrs. Roy Harling and family, Mr. and Mrs. Art Omland and family of Mokena. Many of those living out of the Chicago area could not be present, as well as those who were home with the now famous flu bug.

The men and boys and a few of the girls, played baseball, Bat mitten, archery and hiking were enjoyed by all. The younger children enjoyed the park playground and a nut hunt among the fallen leaves.

After dusk, and supper, all were sorry the day had ended and goodbyes had to be said.

Cub Scout Pack Meeting
This evening Oct. 24 the regular Pack meeting of Cub Scouts will be held in the pub-

lic school at 7:30 o'clock. New den mothers who are: Mrs. Francis Schwartz, Mrs. Charles Kiedaisch, Mrs. Charles Hostert, and Mrs. Gordon Spiess.

At the last meeting several of the Cub Scouts graduated into the Boy Scouts. They were, Michael Roberson, Tom Hull, Gene Wilder, Paul Dath, Jim Gorman, Ross Howes and George Demus.

The Cub Scout pack will sponsor a bake sale this Saturday at 2 o'clock to be held in the Cooper and Hostert garage.

Mr. and Mrs. Theodore Rydel and family attended the funeral of his aunt, Mrs. Alma Rydel at Gary, Saturday.

In a letter from Mrs. Tommy Tyler, the former Dorothy Kraus of Mokena from her home in San Leandro, Calif., she tells that their daughter Judith Ann is stationed at the Great Lakes navy station and their son, Jim is stationed with the U. S. army in Wiesbaden, Germany.

The Park View Baptist church will honor their new pastor, the Rev. William J. Krutza and family at a reception in the church this Sunday at 5 o'clock. Everyone in the community is invited.

Patricia Lynn is the name given to the baby girl recently born to Mr. and Mrs. Wayne Ryder of Wonder Lake, Ill. She and her mother, the former Mary Ann Rinke, were welcomed home from the hospital by the Ryder's one year old daughter Debora Ann.

Mrs. Jessie M. Koeller who spent the summer with relatives in this area attended the wedding of her grandson, Kenneth A. Gee and Miss Barbara Marie Bullock. She was accompanied by her daughter, Mrs. Almira Schindel of Homewood. The wedding took place Oct. 12 in Coshocton, Ohio. Mrs. Koeller left Monday for her home in Phoenix, Ariz.

Mr. and Mrs. William Trench and family recently moved into their new home in Lincolnwood subdivision, coming from Peru, Ill. Mr. Trench is employed by the Standard Oil Co., in Joliet. They have two children, William Jr., 2 years old, and Michelle, 8 who attends St. Mary's parochial school.

Arthur Omland received special recognition at the council of the Rainbow division of Boy Scouts, recently when they presented him with a 15 year leader's pin. Mr. Omland gives much of his time in the training and guiding Boy Scouts.

The WSCS of the Methodist church will promote the Prayer and Self Denial week by a special service in the church Friday Oct. 25 at 8 p. m. Everyone in the community is invited to join them in this service.

School Survey Group Starts Census Program

The citizens survey committee of the Peotone community unit school district, which serves Peotone, Green Garden, Will and Wilton townships, is now in the midst of a census of the district.

Twenty-eight women, drawn from the four townships, are doing the work. It is planned to complete the task by Nov. 1 and have a report ready by Nov. 4.

The women are equipped with cards that carry a variety of information. Following the address are blanks to show whether the dwelling is a single or multiple family unit; whether the occupants own or rent the property; the father's occupation and where he is employed; whether the mother is employed and the mother's age, below 20, between 20 and 30, between 30 and 45 and above 45 (to get an idea as to whether the school population will be increased); when they moved to the present address and if they moved from elsewhere in the district or from outside.

On the other side of the card are places to list the names of children, their ages and where do (or will) they attend school. The survey committee asks the public to cooperate and make the census taking easier by answering all the questions.

George Barr, of Wilton, is the chairman of the survey group, assisted by Roderick Rainford, of Green Garden and Mrs. G. W. McFadden and Mrs. Kenneth Stassen representing Peotone and Will townships.

There are some 20 members on the survey committee and when they finish the job they will have a detailed knowledge of the affairs and problems of the school district.

The survey was undertaken at the instance of the school board and administrative staff of the school district.

THE NEWS-BULLETIN

Mokena, Illinois
Thurs., Oct. 24, 1957 Sec. 1 Pg. 5

The board wants the children, youth and adults to have the maximum educational benefits from the district. The board also realized that if the educational needs of the district are to be met most economically as the need arises it is necessary to plan immediate and future action within the framework of a well-conceived long-range educational plan.

To this end a citizens survey committee was formed and the office of field services of the college of education of the University of Illinois was engaged to detect the group in its work, especially in Green Garden and Wilton, are overcrowded, it is found, and doubtless there will have to be a building program—when and where to be determined after the survey is completed.

ORLAND PARK

Mrs. Sherman Knox
Orland Park: Fieldbrook 9-0211

Mrs. Karl Ekberg, president of Orland Park Woman's club, Mrs. Frank Buck and Mrs. Wesley Lindquist, attended the Regional conference of the IFWC, held at the First Baptist church in Oak Park, Monday, Oct. 21. Mrs. Ervin J. Heckel of Downers Grove, State president, conducted the meeting.

The St. Michael's Guild has chosen November 1, 2 and 3 for its annual toy sale. Orders will be taken Friday, Nov. 1 after all the masses and on Saturday from 3 to 5 and 7 to 9 pm. and on Sunday after all masses. A fine selection of toys and games for children of all ages will be on display which will include the latest in toys. This is an opportunity to get an early start on Christmas shopping.

The Esther Circle of Methodist WSCS will meet Thursday, Oct. 31 at 11 am. in Wesley hall. Those attending are to bring a sandwich. Coffee and dessert will be served by the hostess committee, Mrs. Fred Blackstone and Mrs. R. Vonder-smith. At 1:30 the group will attend the meeting in the church in observance of "The Week of Prayer and Self Denial", being held from Oct. 25 to 31. Mrs. Robert Plastow will present the service "A Christians Responsibility to Home Missions." This service is open to all and an invitation is extended to everyone interested in this day of prayer.

The Esther Circle of the WSCS, Orland Park Methodist church will have a toy demonstration, Nov. 7 in the church social room, starting at 7:45 p. m. Refreshments will be served after the demonstration. The committee in charge suggests to Christmas shop early by attending this demonstration.

Mr. and Mrs. Forest Miller, Sr., are being congratulated upon the birth of another grandson, born Oct. 9 in Silver Cross hospital, Joliet, who weighed 9 lbs. 8 oz. The babe has been

named Brad Bruce. His parents are Mr. and Mrs. Glenn Smetana of Tinley Park.

Mrs. William Horton of 14335 Oakley ave., Orland, is a patient in Hinsdale hospital.

The birthday group of the former telephone operators of Palos Park, were entertained in the home of Oralee Woselowsky in Palos Park, Wednesday evening, Oct. 16, honoring the birthdays of Oralee and Thelma Vardema. Games were played, followed by luncheon served by the hostesses.

Miss Pearl Carlson and Miss Irene Aune of Minneapolis, Minn. were guests of Mrs. Karl Ekberg Oct. 18. They enjoyed dinner at the Spinning Wheel in Hinsdale. At the Tandem Gift shop, adjacent to the Spinning Wheel, a public auction was in progress, of selected furnishings, antiques and art objects from Ecclesgreig Castle, St. Cyrus near Montrose, in For far County south of Aberdeen, Scotland. The castle and the area in which it is located are steeped in old Scottish romance legend and tradition. Built before 1650, the mansion and its grounds have played an important part in the social, political and religious life of Scotland and Great Britain. Also near there are the localities featured in the novels of Thackeray.

When a filling station attendant is servicing your car, turn off the car ignition and don't smoke near the open gas tank, the Chicago Motor club warns. Fire or explosion may be the result of such carelessness.

ALPINE

Mrs. E. Mrosek
Fieldbrook 9-2841

Orland Park Home bureau met Oct. 17 in the home of Miss Mary Ginder in Orland. The lesson on "How do you rate as the family dietician?" was given by Mrs. Claradehl Upham, county adviser.

Those present were the Mesdames Henry Andresen, Francis Beck, Katherine Ihlenfeld, Roy Loebe, John Lohman, Ray Myrick, Oscar Mack, Forest Miller, George Sayers, William Horton and Miss Lillian Mattsen, Miss Clara Myrick. Also guests were Mrs. Shirley Baurer and Mrs. J. H. McMurray. Refreshments were served by Mrs. Lohman and Mrs. Mack.

Snake bites and bee strings helped account for 52 deaths in a recent year, the National Safety Council says.

UNUSUAL PETS are the center of attraction in the Frank Waite home at New Lenox. Both animals, however, were inclined to be a bit shy when the photographer called. "Susie," the raccoon, declined to leave her cage but did rear up to allow Mr. Waite to scratch her neck. "Petunia," the skunk, is about five months old and is just a mite on the skittish side with strangers about so Mrs. Waite chose to wear gloves. Handling skunks with gloves on would seem to be a sensible precaution at any time. And as you well know, Petunia has been deactivated, otherwise she wouldn't be in the house and no one including, Susie, would have been so close. (Robert Porter photo).

HOMER

Lockport, R. 1
Telephone Lockport 837W

The Missionary society will meet in the Homer church Thursday, Oct. 31 with Mrs. C. G. Rowley and Mrs. Reed Burch as hostesses. Plans will be completed for the Fall festival to be held Nov. 5, and a comfort is to be tied. Dessert-coffee will be served at 1 o'clock followed by a devotional program.

The flu epidemic has played havoc with school attendance here as elsewhere. Among those plagued with the "bug" during the past week were the Mrs. Clara Purdy family, the John Hollisters, the George Burchams, Ray Carlsons and Bruce Andersons.

Gregg Carlson was taken to Silver Cross hospital for several stitches on his face and head Saturday. The pony which he was riding in a field near his home, became frightened and ran into a charged wire fence. Gregg, age 10, went off the pony, receiving severe cuts in the melee. The pony also was cut and required a veterinarian's services. Both "patients" are doing nicely.

The Rev. and Mrs. Roy Hanson were entertained in the Har. home following the Sunday church service. Wednesday a prudential committee meeting will be held to consider his application as a candidate. His theme Sunday morning was "The Greatest Good."

Mr. and Mrs. Jerome Paddock left Monday morning for a week vacation trip to California. They will go via airplane, and will visit Mrs. Adella Paddock and the Dr. Henke family at Whittier, enroute. They will also be attending an International Harvester convention.

The Ross school Mothers' club met Wednesday evening of last week with Mrs. Katherine Schiller as hostess. They report that the flag which they will present to the new school has been ordered. The flag pole has been donated by Charles Cook.

Frank Milne was a business visitor at Walnut, last Monday; he ate dinner with the George Dahl family, near Normandy.

The teachers of 33-C Consolidated school district held their monthly meeting at Barnet school last Friday afternoon. Refreshments were served by the teacher, Mrs. Mary K. Baltz. The hostesses for the next meeting Nov. 8, will be Mrs. Harvey Ingersoll and Mrs. Charles Jensen.

tended a Doll fair at the Republic building in Chicago Saturday. She was given special recognition for her work in organizing a Doll club in the Joliet area.

Mrs. Minnie Voight, mother of Mrs. Wrey White, is very ill and is being cared for in the home of another daughter, Mrs. Emma Larsen, in New Lenox. Mrs. White assists Mrs. Larsen.

Mrs. Robert Shepherd is helping to care for her step-mother, Mrs. Stafford, who is critically ill in Silver Cross hospital.

Ralph A. Reiter has returned from a week's hunting trip in Minnesota.

Mrs. Reiter and their preschool age children will leave this week for an extended visit with relatives in California, Washington and Oregon. She will probably be away about three weeks.

Laguna Woods

Mrs. Robert Anderson
Fieldbrook 9-2857

Mr. and Mrs. Thomas Verhagen spent Sunday in Milwaukee, Wis., with her sister and family.

Wayne Biedermann, son of the Walter Biedermann's has his own teenage band. Wayne plays the accordion. The boys play polkas, waltzes, or whatever the crowd desires. They recently played for a local firemen's dance. Wish we had known about the band last Halloween. The band is booked for Halloween this year.

At the last Homeowners meeting it was decided to abolish the social committee as our group is to large now to entertain at coffees or house parties.

The social committee will be known as the Welcoming committee and will call on new residents and introduce them to other members at the meetings, as well as making reservations for dinner for large groups for

Bulk Milk Up 3c per Hunderd For September

"Record high Class I sales in the Order 41 Market and record high bulk sales to nonhandlers outside the surplus milk manufacturing area helped increase milk prices 3 cents per hundredweight in this market for the month of September," says Harry L. Edwards, Director of Sales for Pure Milk Association. His job is to find markets for Order 41 market dairy farmers' milk.

He said that the September blend price of \$3.70 for Grade A milk in the 70 mile zone was not higher because the supply demand adjustment took 22 cents per cwt. off the Class I and II prices this year compared to only 6 cents in September of 1956. The September blend price is also 3 cents per hundred weight higher than for last month. Also, September production of 351 plus million pounds of milk was 5 plus million pounds less than for the month of August, but up more than 22 million pounds for the same month a year ago. On a daily basis, however, September production was 200,000 pounds higher than for August.

Class I sales hit an all-time high of 208,183,086 pounds for the month, compared to the previous record of 208 million pounds in September, 1955. This was due in large part to record bulk sales outside the area which mounted to almost 17.4 million pounds. The previous high was for October, 1951, when 17,286,670 pounds were sold outside the market area.

The blend price of \$3.70 is a gross price to dairy farmers who shipped milk with a 3.5% butterfat content to plants in an area 55 to 70 miles from Chicago. It amounts to about 7.9 cents per quart at the farm. From this gross price, the dairy farmer must pay for all production and hauling expenses.

This blend price is adjusted further by the location of the farmer with respect to the 55 to 70 mile zone area, the average butter fat content of the milk delivered, and any additional premiums for shipment of milk from bulk milk tanks.

Brewers To Aid Barley Growers

Midwest barley farmers are bound to reap substantial rewards from the research grants, totalling \$100,000, made last week by the United States Brewers Foundation to several Midwestern colleges and agricultural experimental stations.

The purpose of the awards is to study and improve varieties of barley and to increase production.

A secondary purpose is to assure a barley crop up to the standards of the brewing and malting industries, a barley agriculture that can compete with other crops and thus arrest the trend of barley growing away from the midwest to the north and west.

Chief beneficiaries of the awards are North Dakota agricultural college at Fargo and the institute of agriculture at the University of Minnesota, St. Paul.

Smaller amounts will go to the University of South Dakota at Brookings, Montana State college at Bozeman, and the University of Wisconsin's agricultural college at Madison.

Fellowships will also be a-

warded to agricultural experimental stations in five western states, to be announced later.

Because the funds will be used to accelerate programs already in operation, some results may be expected within five years.

Scout News

ALPINE CUB SCOUTS

Sub Scout pack 218, of Alpine exchanged uniforms for Halloween costumes at the monthly pack meeting last Friday.

The following cubs received prizes for the best costumes: Jim Cruise, James Walker, Jim Thurbel, Gary Andresen and

Larry White.

Games were played and prizes awarded to Frank Thons and Jim Cruise.

The following adults were elected to serve on the pack committee: Roy Walker, cubmaster; Joseph Bauer, assistant cubmaster; Donald Doctor, chairman; Albert Burkhard, treasurer; Clarence Kelsey, secretary.

At the meeting of den 5, in the home of Mrs. Corliss Cruise last week it was decided cubs would earn the money for gifts for parents at Christmas.

The boys used the tote table for the first time at this meet-

THE NEWS-BULLETIN
Mokena, Illinois
Thurs., Oct. 24, 1957 Sec. 2 Pg. 3

ing, which was donated by their parents.

On Oct. 31, the cubs plan a trick and treat outing.

Passing inspection were Gary Andresen, John Doctor and Scott Bauer. Another inspection was planned for the den meeting last Tuesday.

More persons die during Nov. from accidents involving firearms than during any other month, according to the National Safety Council.

LITTLE BILL says:

6¢ a load is all you pay — to dry the clean electric way

An electric dryer will dry this normal 8-lb. load for only 6¢—2 sheets, 3 bath towels, 4 hand towels, 2

men's T-shirts, 3 pillowcases, 3 children's dresses, 2 luncheon cloths. Drying time only 25 to 30 minutes.

**Nothing's faster, nothing's cleaner—
and electric dryers are completely automatic**

COST?

ELECTRIC DRYERS

cost
\$30 to \$60 less
to buy
than any other kind

A new electric dryer will wipe out your wife's weather worries on washday (and costs less to buy than any other kind).

And for just 6¢ a load, electric dryers give you the cleanest way to dry clothes. Clean, dry, radiant electric heat—like the sun—turns out clothes that are soft, sweet-smelling every time.

Fast, too. Today's electric dryers will dry a full load in 25 to 30 minutes. All electric dryers are fully automatic, nothing to light, no igniting devices to require service.

We think you'll be surprised when your appliance dealer tells you how little it costs to own a modern electric dryer.

MARLEY

Mrs. Virginia Sass
New Lenox 3133

Mr. and Mrs. Charles Sass and family spent the week end with friends in Indianapolis, Ind.

Ronald Kolar of Pomona, Cal. is spending several days with his uncle and aunt, Mr. and Mrs. Victor Zaloudek.

The BYF and the Freeman Fellowship of the Marley church will have a combined Hardtime party at the church this Sunday evening, Oct. 27. Everyone is invited.

Mr. and Mrs. James Frazer attended the wedding of Miss Carol Smith and Robert Lydey in St. Rose church in Wilmington Sunday afternoon. Their granddaughter Miss Barbara Smith was one of the bridesmaids.

Mr. and Mrs. Charles Elliott entertained their canasta group at a dinner party in their home Saturday night. Guests were Mr. and Mrs. Charles Ballantine of Palos Heights, Mr. and Mrs. A. W. Holmes and Mr. and Mrs. A. C. Johnson of Chicago.

Charles Ingram, Jr. returned Tuesday from Silver Cross hospital, where he was a medical patient for a few days.

Mr. and Mrs. Ben Roger of Chicago were dinner guests on Friday of Mrs. Mary Marshall.

Miss Judy Osborn, who is attending the University of Illinois, spent the weekend here with her parents, Mr. and Mrs. Billy Osborn.

Mrs. Charles Elliott was a guest at a luncheon Monday in the home of Miss Dorothy Arthibald in Chicago.

Mr. and Mrs. Arthur Warzyn of South Milwaukee, Wis. were weekend guests of Miss Helen and Miss Caroline Tilsy.

Mrs. Mary Marshall attended a dinner Saturday evening, given by Mr. and Mrs. Val Heisner of Lemont at the White Fence Farm. The occasion was a reunion of the Cleveland school girls. There were 14 present.

Mr. and Mrs. Loren Sass entertained at a family gathering in their home Tuesday night in honor of the third birthday of their daughter Verda Jo. Refreshments were served from a table centered with a birthday cake and appointed with animal motifs. Guests were Mr. and Mrs. Louis Sass, Mrs. Glenn Peterson, Mr. and Mrs. Charles Sass and children Larry and Debbie, Mr. and Mrs. Daniel Sass and Miss Cheryl Sass.

Mrs. Mary Marshall was a guest at a party Monday in honor of the birthday anniversary of Mrs. Emma Kinneman at the home of Mr. and Mrs. Clare Newberry in Joliet.

GREEN GARDEN

Mrs. Katharine Heisner
Frankfort 5187

The Will county festival of Faith or Reformation Sunday to be given by the Will County Ministerial asso. next Sunday evening at 7:30 o'clock in the Central Presbyterian church, in Joliet, have extended an invitation to all protestant churches. The St. John E and R church of North Peotone have made plans with their pastor, the Rev. Ernest Gander for some of their members and pastor to attend.

The PTA of the Green Garden grade school was not held last Friday evening due to the flu epidemic that has gripped the school. Monday, a report from the school showed 38 absentees out of an enrollment of 102, 20 being from one room.

Mr. and Mrs. Con Wieringa and family enjoyed the Golden Spurs rodeo held at the Chicago amphitheater Sunday afternoon.

The regular meeting of the Snip-N-Snack 4-H club was held Oct. 12, in the town hall. Barbara Scheer president, presided at the business session. A roller skating party will be held October 23 at Plainfield. The group will tour to Chicago on Oct. 30. An installation ceremony was given for all new

members. Talks were given on Fire Prevention week.

The Junior Adults of the North Peotone St. John E and R church will gather in the parlors of the church Friday evening, Oct. 25 at 8 o'clock. Movies will be shown and refreshments will be served by Mr. and Mrs. Norman Yunker and Mr. and Mrs. Christian Asbrand.

LINCOLN ESTATES

Mrs. Emil Wille
Frankfort 3161

Mrs. Charles Jones entertained at a birthday party Oct. 12 in honor of her daughter Carol. Nine guests were invited but four of them could not come on account of illness. Those present were Carol Tyler, Susan Zum Mallen, Pamela Koester, Shirley Kaehler and Elaine Urbano. Games were played and refreshments were served. Carol received many lovely gifts.

The basketball court at the Ann Rutledge school was poured Saturday, Oct. 12. The committee in charge wish to thank all those who gave of their time on two Saturdays to help. A special vote of thanks goes to Joe Machtemes and his crew for their help.

PTA

The meeting of the Ann Rutledge PTA was held in the school Oct. 14 at 8 pm. Following the pledge to the flag Mrs. W. Davidson read the PTA prayer.

The speaker for the evening was Paul Ohman, juvenile probation officer of Will county. He told of his experiences with all ages of boys and girls and told the parents what to expect of their own children. Mr. Ohman emphasized the need for a larger training school in Will county.

In the absence of the president, Lloyd Alton, vice president presided at the business meeting.

The recreation committee reported the basketball court in the school yard is now completed. The committee members Jay Bissell, Walter Madsen, and Robert Wheeler, were helped by the following members of the community in installing the court: Jim and Bill Dixon, C. Heath, Jr., C. Jones, G. Kaehler, M. Kluth, J. Machtemes, John Nicholson, P. E. and L. Nicholson, John Tyler, A. Ullrich, R. Urbano, J. Van Donk, and Dennis Wheeler. Due to the efforts of Joe Machtemes and his employees the work was completed quickly and efficiently.

George Kaehler gave his report as delegate to the Eastern Will County council.

Mrs. W. Neidringhaus and Mrs. D. Scates attended the Fall conference at Pershing school in Joliet. They received the three awards presented to the Ann Rutledge PTA for 100% membership last year.

A chicken dinner will be served in the school basement Sunday, Oct. 27, from 12 o'clock to 5 pm. Those working on the committee are Mrs. J. Milota, chairman, Mrs. S. Balsie, Mrs. L. Harris, Mrs. C. Heath Jr. and Mrs. R. Wheeler.

Mrs. Davidson's room again won the attendance banner. Refreshments were served by the following, Mrs. L. Alton, Mrs. G. Kaehler, Mrs. F. Kovar and Mrs. W. Madsen.

Some of the children of the upper grades of Ann Rutledge school would like to attend the football games at Lincoln-Way high but do not have a way to get there. If anyone would offer to drive them it would be greatly appreciated.

In the report of the two boys who were home from college the weekend of the 13th, there was a mistake. It should have read Dennis Wheeler was home from Northwestern where he is taking a course in Journalism and Ronnie Studnicki was home from Western State.

Mr. and Mrs. James Val Chant of Chicago spent Sunday with the latter's parents, Mr. and Mrs. Paul Riechel. It was Mr. Riechel's 72nd birthday.

Mr. and Mrs. Edward Guth and family spent Sunday in Chicago visiting relatives.

The 64,500,000 registered vehicles in the United States traveled 630 billion miles in 1956, according to the National Safety Council.

NEW LENOX

Delores Anderson
Phone 3651

The Rev. and Mrs. George Martin and family have been invited to return to their former church at Lena, Ill., Oct. 27, to take part in the formal dedication of the Methodist church.

New Director

Mrs. James Zorn, one of the new teachers at Lincoln-Way, has taken over the direction of the junior choir in the Methodist church. They meet each Thursday from 6:45 to 7:30. All boys and girls from the 5th thru 8th grades are invited to join.

To Aid Childrens Fund

Young people from the Methodist church will participate in the annual collection for the United Nations International Children's Emergency fund this year. They will canvass the community during the week before Halloween giving people an opportunity to help the needy children of the world through the UNICEF program.

The membership committee of the WSCS with Mrs. James Sampson as chairman, has sponsored at least 12 neighborhood parties as a means of gaining new members and re-interesting inactive members. Results of their efforts were seen last Wednesday evening when approximately 50 women were present for the monthly meeting. Hazzard Park of Marcy Center was the guest speaker and Gene Peters, the soloist. The November meeting of the society will be held Wednesday, Nov. 13 at 8 p.m. Mr. Oster will be the speaker.

Turkey Dinner Bazaar

The annual turkey dinner and bazaar will be held in the Methodist church dining room Tuesday, Nov. 19th, with serving starting at 5 o'clock.

Layman's Sunday

Laymen from the Methodist church will take charge of both services Sunday, Oct. 27, when the church observes Layman's Sunday. Paul LaVinn and A. Hunter Chapman will speak. John Oster, Kenneth Kinney, Walter Lewis, and Lawrence Carlson will take part in the services. There will also be an all male choir.

Members of the Intermediate Fellowship of the Methodist church elected officers recently. They are, Virginia McCullough, president; Barbara White, vice president; Pam Pius, secretary;

Pam Clark, treasurer; Clara Chapman, and Barbara Batkin, recreation leaders; Gayle Huss and Judy Werner, class representatives. Study topic for the month is "What Does It Mean to be a Christian". They are planning a Halloween party for Friday night, Oct. 25 to which all prospective members of the Intermediate Fellowship are invited.

Sam Campbell Coming

Tickets are being sold by the 8th grade students of the Haven school for the lecture to be given Tuesday night, Oct. 29 in the school, by Sam Campbell, noted author and lecturer. He will present his film on "Colorado, Mountain Wonderland," starting at 7:45 p.m. Don't forget this all important date, next Tuesday night.

Second Child Study Group

The Second Child Study club will meet tonight, a week earlier than scheduled, at the home of Mrs. Leo Murskyj. Mrs. Michael Orey will be the co-hostess, and Dr. Leo Murskyj will be the speaker. His topic will be on "Inoculations for Children."

Square Dance

The Cub Scout square dance will be held Saturday, Oct. 26 at 8 p.m. in the Haven school auditorium. Admission is by donation.

To Consecrate New Building

Members of the New Lenox Methodist church will hold Consecration Services at the church on November 10th, at 3 p.m. This date is significant, because just one year ago, on November 11th, the ground was broken for the new addition to the church.

First Child Study Group

Members of the First Child Study club met Tuesday night Oct. 15 in the home of Mrs. Ralph Swanson. Mrs. Jack Batson was co-hostess. Mrs. Arthur Rechker gave the program on "Toy Fair."

Plans were made for the group to tour through Stateville penitentiary Nov. 3 at one o'clock.

Mrs. Robert Wysock and Mrs. Ronald Vondrasek are new members of the club. Their November meeting will be in the home of Mrs. Glenn Vally.

Plan Open House Celebration

At the New Lenox Woman's club meeting last Tuesday held in the home of Mrs. Laura Morros, plans were made for an open house celebration to be held in the New Lenox library, Tuesday, Nov. 5. Hours will be from 2-5 and from 7-9 p.m.

Those on the food committee for the occasion are, Mrs. A. O. Bruns, Mrs. Donald Anderson, and Mrs. Elton Pyle.

The group also made plans to go to the Tuberculosis offices in Joliet Oct. 31 where they will stuff envelopes with stamps.

Their next meeting will be Nov. 12, a week earlier than usual at the home of Mrs. Delia Brown.

First Aid Classes

All first aid classes are now being held in the fire station on church street on Monday nights from 7:30 until 9:30 p.m. and Thursday mornings from 9:30 until 11:30 a. m.

Pfc. and Mrs. Raymond Egly of New Lenox, who are in Kitzengen, Germany where Egly

is stationed with the U.S. army, have adopted a baby boy in Kitzengen. The six pound, seven ounce baby, who was born there Sept. 21 has been named Randall William, and already has been nick-named Randy by his mother, the former Carol Ann Collatz. The proud grandparents here, are, Mr. and Mrs. William Collatz, 135 First ave.; and Mr. and Mrs. Raymond Egly, Sr., 133 S. W. Circle drive, Joliet.

Randy was six days old when the Egly's took him home to their apartment in Kitzengen.

The Hi-Teens of St. Jude's will meet tonight after novena devotions. Fr. Keith O. Carm, vice-principal at Catholic high will talk on colleges, scholarships, etc. All the teenagers of the parish are invited to attend this meeting, whether they are members or not. The group will hold a Halloween party in the parish hall, Wednesday, Oct. 30 from 7:30 to 10:30 p.m. A scavenger hunt, bonfire, square dancing and refreshments will be included in the affair. Kay McCure is the recreation chairman and will be assisted by Mary Ellen Wilsterman, refreshment chairman.

State GOP To Make Medicine At Peoria Dec. 2

Gov. William G. Stratton has notified the Republican state central committee that he will attend the "pattern for victory" conference of Illinois Republicans at Peoria Dec. 2-3.

Gov. Stratton will address the conference dinner on Monday night, Dec. 2.

Statewide committees are being recruited to arrange the two-day conference called by Republican State Chairman Stanley H. Guyer to explore various areas of state and national government.

Arrangements are being made to have prominent Republican leaders on state and national levels participate in the sessions and join in general round table discussions.

Among the subjects planned for panel discussion are agriculture, small business, human relations, economic affairs, peace and foreign affairs, campaign techniques and organization.

CPA Society Gives Year End Tips On How One Can Trim Income Tax

(This is the first in a series of four articles on federal income taxes. The articles are based on information provided by the American Institute of Certified Public Accountant and the Illinois Society of Certified Public Accountants.)

You still have time—but not much time—to do a little year-end tax planning and assure yourself of the best possible break when you file your tax return next April.

Millions of high, low and middle income taxpayers, realizing that careful planning of their financial affairs between now and the first of the year can pay off handsomely when the tax collector calls next spring, have already begun to establish those extra deductions and special exemptions that will reduce their tax bills.

You can do this too, but you must act no later than December 31.

To alert you to the tax-saving steps you may be able to take before the end of the year, this newspaper is printing a series of articles prepared with the help of the national and state organizations of certified public accountants. These articles—if you keep them and follow their advice—can save you money.

Evaluate Income Prospects

If you are like most individual taxpayers, your goal at this time should be to level out income for this year and next year. Needless or careless bunching of income in either year can be costly. The sharp bite of today's progressive tax rates—which you can assume will be high or possibly only slightly less in 1958—makes it much better to have an income of \$8,000 in each of two years, rather than \$6,000 in one and \$10,000 in the other. Taxpayers who are in danger of being whiplashed from one tax bracket to another because of wide fluctuations in their 1957 and 1958 income should act before December 31 to try to average out their taxable earnings. This can be done by careful shifting of income and deductions from one year to the next.

How to Shift Income

For example, if your two-year income estimate shows that your income for this year will be significantly higher than next year's you should take immediate steps to throw as much income as possible from 1957 to 1958. At the same time you should speed-up the payment of all expenses that be deducted on your 1957 return. By concentrating deductions in the higher year and switching income to the lower, you will keep your taxes for both years in the lowest possible tax bracket.

Should you be faced with the more desirable problem of a sizeable increase in your 1958 income, reverse this procedure—delay expenses and speed-up income if you can.

Timing income and deductions to gain a tax advantage is not too difficult for the millions of taxpayers who file returns on the basis of cash receipts and cash disbursements. 'Cash basis' business and professional men can shift income by simply delaying or speeding-up the collection of accounts receivable near the end of the year. Salesmen and contractors can do the

same thing by extending or closing deals that may be pending in November or December.

Farmers who operate on a cash basis can accelerate or postpone income by proper timing of the sales of their crops or livestock. While their income will be taxable in the year cash is received, the full costs of raising crops or cattle are deductible for the year in which costs were paid.

Special Income Situations

There are special situations in which it can be advantageous to bunch income in a single tax year. For example, a husband and wife can file a joint return to gain the benefits of income-splitting. Should one of them die, the survivor may file a joint return for the year in which the spouse died and also for two succeeding years under certain conditions. Thus, a widow or widower may profit by throwing more income into this year and less into next if his or her spouse died in 1955, since the privilege of filing a joint return will be lost in all cases in 1958.

If you are planning to be married in 1958, remember that the income-splitting privileges you gain will act like a rate cut for you. At \$7,000 of income, your taxes will be \$240 less than if you were single, assuming that you take the standard deduction and claim only exemptions for you and your wife. For this reason, young couples planning marriage might consider postponing income from 1957 to 1958 while accelerating deductions from 1958 to 1957.

Next Article: How to Plan Federal Income Tax Deductions.

Motorists are driving safer this year than last, the National Safety Council says. In 1956, 40,000 persons died in auto accidents. This year, the toll may drop to 39,000.

Will County ASC Outlines Wheat Acreage Plan

Charles Deutschman of the Will County ASC committee announced that legislation enacted this year provides that no acreage seeded to wheat for harvest as grain for 1958 and thereafter in excess of the farm allotment will be considered in establishing future state, county and farm allotments.

This means, he said, that the historical acreage for 1958 and subsequent years on farms exceeding their allotment will be the allotment acreage. Under this provision producers will be unable to build up history by overplanting the allotment. The farmers with no allotment or a small allotment that raise wheat under the 15 permitted acre provision or those taking advantage of the 30 acre feed wheat exemption will not receive credit for any acreage in excess of the allotment. Producers planting within their allotment will receive full historical credit as in the past.

Mr. Deutschman pointed out that this charge will affect future allotment acreages apportioned to the state and county. The fact that acreages in excess of the allotment will not be credited to the county or state will tend to reduce allotments somewhat. The first time this new law will have effect on wheat allotments, he said, would be those for the 1960 crop.

He suggested that any producers having any question on

Read 1 Corinthians 3:1-9.
We are fellow workmen for God; you are God's field, God's building. (1 Corinthians 3:9. R-SV.)

Though the kingdom of God is His ordaining, this fact does not eliminate our responsibility in its establishment. The Apostle Paul says that we are fellow workmen for God. God works through us when we dedicate ourselves completely to Him.

The early church started in homes. One of the ways we may work with God is to be ready to transform our homes into "preaching tents". Some years ago I met a certain lady in a church. She was complaining that it took her four hours to go to and from church. She had moved to another village where no church was established.

I suggested to her that her home could be the nucleus of a new church in the village where she lived. A few weeks later I led the first service in the living room of her home. A few months later the garage was made into a sanctuary. Within one year property was secured. Today in that village there is a lively congregation, a sanctuary and a parsonage. All started in that home.

PRAYER

Our heavenly Father, we want to be Thy fellow workmen. Teach us to be faithful servants of Thine. Help us to use our homes as instruments of Thy grace in the building of Thy kingdom. In the Saviour's name we pray. Amen.

THOUGHT FOR THE DAY

Are we ready to work with God through our homes, for the spreading of the kingdom of God?

CHRISTIAN SCIENCE CHURCHES
Man's responsibility for spiritual growth and progress will be brought out in the Lesson-Sermon entitled "Probation after Death" at Christian Science services Sunday, October 27.

Scriptural selections to be read include the following (Philippians 3:13-15): "Brethren, I count not myself to have apprehended; but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus. Let us therefore, as many as be perfect, be thus minded; and if in any thing ye be otherwise minded, God shall reveal even this unto you."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (291:12-13): "Universal salvation rests on progression and probation, and is unattainable without them."

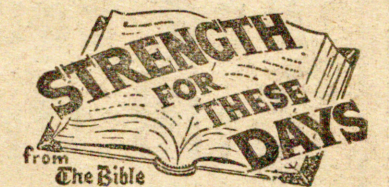

The Golden Text is from James (1:12): "Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him."

Tinley Park Church To Give Bibles

The newly-formed Community Bible church has launched a program whereby all the bibleless homes of Tinley Park and the surrounding communities may receive a bible without cost to them.

This bible is printed in clear type on high quality paper and is bound in a durable cover that will assure many years of reading enjoyment. Also included in the bible are several suggested bible reading plans. Locations of many favorite verses are given for quick references on a variety of subjects.

"This is one of the finest gifts that any church can offer to the public," said the pastor, the Rev. Paul Eldridge, "and we shall be very happy to present one of these bibles free of cost and without obligation to anyone who requests it. It shall be a constant help and source of inspiration in every home that receives one. A call to the pastor or a postal card to the Community Bible church P. O. Box 41, Tinley Park, is all that is necessary to receive this free gift."

... Be strong and of good courage; be not afraid, neither be thou dismayed; for the Lord thy God is with thee whithersoever thou goest. — (Joshua 1, 9.)

Through the long centuries, men have held these wondrous words close to their hearts and have overcome the grief and tribulations that must come to us all. Today, as forever, "God never fails."

PAN CAKE DAY IS SUCCESS at Tinley Park. The Lions club of that community flipper hot cakes from sunrise to sunset last Saturday and while the figures on sales are not complete it was believed that the event brought

about \$600 into the club treasury. Left to right, Curtis Springfield, Robert Rawson, Jack Spiegelman, William Francis (president) and Wayne Ackerson. (Robert Port photo)

Schools Of Joliet Diocese Now Have Total Enrollment of 29,694

Catholic schools in the seven counties of the Joliet diocese have an enrollment of 29,694 boys and girls, the Joliet Chancery office announced today.

This is an increase of 2,516 over the enrollment figures of last December.

In the seven counties, there are 64 elementary and 13 high schools. The three colleges and two schools of nursing within the diocese are included in the figures.

The breakdown of students in the schools indicates a total of 23,721 students in the elementary schools of the diocese, an increase of 1,988 over last year.

In the high school division there are 4,614 students. This figure represents an increase of 819 students over last year's total.

The college division, exclusive of students of seminaries and monasteries within the diocese, has a total of 1,359 students.

Lists Enrollments

There are 515 women enrolled at the College of St. Francis, Joliet, and 459 men and women at Lewis college, Lockport. At Lisle, 235 men are enrolled at St. Procopius college.

St. Joseph School of Nursing at Joliet has 96 students this year, while St. Mary School of Nursing at Kankakee has 54.

St. Francis academy, Joliet, has the largest high school enrollment in the diocese with 950 young women enrolled. Joliet Catholic high school is runner-up among the secondary schools with 900 young men enrolled, an increase of 129 students over last year's total. Immaculate Conception high school in Elmhurst is third in enrollment with 629 students.

The new St. Francis Central high school at Wheaton opened for the first time in September. The latest diocesan high school has an enrollment of 421 for the first term. The co-institutional school opened for freshmen and sophomore classes this year. The Christian Brothers, St. Louis Province, are the administrators for the school. Girls attending the school are being taught by the Ladies of Loretto and the Franciscan Sisters, both with motherhouses in Wheaton.

More in Grade Schools

Immaculate Conception grammar school at Elmhurst has the largest elementary enrollment with a total of 945 students, closely followed by Sacred Heart school, Lombard, with 935. The Cathedral of St. Raymond school at Joliet, has 859 students this year.

There are 1,988 more children in diocesan grade schools this year. To meet the increased enrollment two new schools were

opened in DuPage county in September and one in Joliet.

The new schools are: Mary, Queen of Heaven, Elmhurst; St. Joseph, Addison; and St. Anne, Joliet. For the first year's enrollment Mary, Queen of Heaven has 164, St. Joseph, 160, and St. Anne, 250.

Chicago Park Opera Guild Seeks Talent

The Chicago Park District Opera Guild, organized in 1945 to provide opportunity for singers to take part in rehearsal and production of standard operas professional supervision, invites trained amateur or professional singers, 17 years of age and over, to join in this musical activity.

Guild membership has often proved a stepping stone to a musical career for talented young singers. Vocalists learn the routine and intricacies of opera production and are rewarded with appearances in the performance of the opera.

Since 1949 the opera guild has been under the supervision of Silvio Insana, opera conductor, teacher and composer. The guild made its first appearance at Grant Park concerts in 1946 and since then has appeared at the outdoor concerts, presenting in concert from excerpts of the opera produced during the preceding winter season.

Hold Weekly Auditions

This season, in order to give

a wider distribution of principal roles to qualified singers, the guild has selected for performance early in 1958 the first scene from Act II of Verdi's "Aida," the first scene from Act I of Moussorgsky's "Boris Godunoff," the final act of Verdi's "La Traviata" and the third act of Puccini's "La Boheme." In addition a full-length production of von Flotow's "Martha" will be performed at the close of the season next spring.

The Chicago Park District Op-

LOSE UGLY FAT In Ten Days Or Money Back

If you are overweight, here is the first really thrilling news to come along in years. A new & convenient way to get rid of extra pounds easier than ever, so you can be as slim and trim as you want. This new product called DIATRON curbs both hunger & appetite. No drugs, no diet, no exercise. Absolutely harmless. When you take DIATRON, you still enjoy your meals, still eat the foods you like but you simply don't have the urge for extra portions and automatically your weight must come down, because, as your own doctor will tell you, when you eat less, you weigh less. Excess weight endangers your heart, kidneys. So no matter what you have tried before, get DIATRON and prove to yourself what it can do. DIATRON is sold on this GUARANTEE: You must lose weight with the first package you use or the package costs you nothing. Just return the bottle to your druggist and get your money back. DIATRON costs \$3.00 and is sold with this strict money back guarantee by:

LINCOLNWOOD

Dolores Anderson,
phone 3651 New Lenox

The Schmuhl school community will hold a Halloween party and meeting in the school Friday, Oct. 25, at 7:30 p. m. A film "The Voice Beneath The Sea" will be shown, as well as two cartoons for the children's enjoyment. The children will dress in costume for the occasion and a prize will be given for the best dressed. Refreshments will be served by the first grade mothers.

The Hot-dog luncheon sponsored last week at the school by the first grade mothers, was a real success. They are grateful for the many who attended.

The Lincolnwood Hills Civic association will sponsor a hay rack ride for the children of Lincolnwood on Halloween night at 6:30 o'clock. Children under 5 years of age must be accompanied by a parent. Candy donations will be very much appreciated and must be taken to the William Hocker home by Monday, Oct. 28.

Cub Scout Pack 41 will hold their monthly Pack meeting, in the form of a Halloween party, Tuesday night Oct. 29 in the Schmuhl school, at 7:30 o'clock. The boys have been painting gourds at their meetings this past month to use as decorations.

Richard Pokorny, Jr. has recovered from a siege of the mumps.

Mr. and Mrs. Harold Wollenhaupt and family had as their guests Saturday night for dinner Mr. and Mrs. Arnold Cole and daughter Linda of Oak Lawn.

Mr. and Mrs. Ward Dare and family of Bement, were guests Sunday of Mr. and Mrs. Robert Taylor and family.

Tree Style Note: Wood Chips Make Good 'Overcoat'

Tender plantings may be sporting a new kind of overcoat this winter.

The overcoat is a long-lasting covering of wood chips over sensitive root areas. Wood chips are a superior mulch and are

as acceptable as such standard materials as peat moss, sawdust, buckwheat hulls, peanut shells, salt hay and oak leaves.

Homer L. Jacobs, research director of the Davey Tree Expert Co., says the wood chips, once in short supply, are becoming more generally available for use on the home grounds. That's because many public utilities and orchardists today are disposing of their brush via the ship method. Branches and trimmings are put thru a mechanical chipper which reduces them to the small chip form so suitable for mulch purposes.

A Good Mulch

Like better known mulches, wood chips have an amazing ability to retain moisture, control soil temperature and prevent root freezing. They are particularly valuable in protecting prized evergreens and benefit shrubby beds and newly planted trees, including deciduous kinds, as well.

Wood chips frequently represent a "bargain" since they can be obtained at nominal cost, if transportation isn't a major factor. Up until recently, such chips had little or no commercial value. Even with upped demand for this material, savings over popularly accepted mulches can be made.

When applied and several times later, the wood chip mulch should be treated with a light dressing of good garden fertilizer. This will counter any tendency of the wood to rob nitrogen from the soil.

There's no such thing as an automatic pilot on automobiles, even if drivers sometimes can't recall driving a certain portion of their journey, the Chicago Motor club warns. If you are a victim of this "amnesia driving," it is an indication that you are not driving alertly and safely, the Club says.

GAS "Burner-with-a-Brain" BIG PRIZE Contest

1ST PRIZE \$1000⁰⁰

2nd PRIZE \$500⁰⁰; 3rd PRIZE \$250⁰⁰
plus BONUS AWARDS!*

Here's all you have to do!

1 See the Wonderful GAS "Burner-with-a-Brain"

Just go to your nearest Northern Illinois Gas Company store or any gas range dealer located in the area we serve. There, you'll learn about the marvelous new gas "Burner-with-a-Brain"! You'll discover for yourself how automatic modern GAS cooking can be. You just dial the temperature you want and heat is perfectly maintained by a dependable thermostatically controlled device, called the "Burner-with-a-Brain". It makes your pots and pans automatic! Food can't scorch or burn . . . you can relax instead of being chained to the kitchen "watching the pot".

2 Obtain an Official Entry Blank!

Ask for an official entry blank at the store where you see the GAS "Burner-with-a-Brain". Complete the statement in 25 words, or less, on why you like the GAS "Burner-with-a-Brain". That's all you have to do. Another nice thing about this contest is that it's limited to you and your neighbors served by Northern Illinois Gas Company . . . so you have a better chance to win! Don't delay . . . contest closes midnight, Saturday, November 30, 1957.

*Special Bonus Awards, too!

Prize winners will be given a special bonus award if they have purchased a gas range during the contest from Northern Illinois Gas Company, or a gas appliance dealer located in the area we serve. This award will be in an amount equal to the purchase price of the range bought by the prize-winner.

Get official entry blanks at your
Gas Range Dealer or our nearest store.

PROMPT . . . COURTEOUS
DEPENDABLE SERVICE

THIS IS THE FAMOUS "BURNER-WITH-A-BRAIN"

. . . It's the really automatic burner that adds exciting new delight to all top of the range cooking—to more than 80% of your cooking duties. All you do is set the dial to the cooking temperature you wish, just as you do with your gas oven. Then the "Burner-with-a-Brain" takes over, raises and lowers the flame to maintain that temperature precisely, for as long as you like.

. . . And this self regulating top burner is just one of the many convenience features of the wonderful AUTOMATIC-ALL-THE-WAY 1957 GAS RANGES!

OUR OWN THREE R's

Here we sit, knowing full well our children will be using the local school system for years to come. Yet, just what do we know about it?

Well, last week I attended the very first school board meeting I had ever seen. It was to be a complete mystery to me and I felt ashamed to admit I didn't even know who or how many served on our school board—nor what their exact job was!

I arrived at the tiny school-house (184th and Central around 8 p.m. and found one classroom lighted and in it about 30 people. Three men were seated at the front, apparently our own new school board. The meeting was conducted by the president of the board, Clarence Beam. (He was elected by our popular vote at last spring's election). Statistics, reports, charts, laws, announcements, dreams, plans, changes, facts, and opinions flowed so constantly from the three-man board that I found it difficult to keep notes on them all.

How I wish you could have all been there! Just to hear the mountains of work those men had been doing for our benefit was astonishing. Their actual chores are done thru continuous meetings and errands thruout every month. Then, every second Monday of each month, they report this work to US (as many of us as will appear at the schoolhouse). They report their month's work directly to us, who elect them. We as spectators then, are allowed free questions and suggestions on any report they make at that time.

Subjects that involve all of us were:

(1) Our Own School Bus

The Board is investigating legal possibilities of first convincing the private bus firm, Hodgeman of Oak Forest, that the entire teaching staff and school board desire to change the current bus schedule to an earlier one. It was brought out, to my own surprise, that we now pay the Hodgeman Bus co.—(hold your breath)—\$320 monthly. For this privilege, we were offered only two time choices: 8 a.m. or 9:30 a.m. starting hours, as they squeeze our tiny school in between other local schools they also serve.

That's \$2,880 a year. Check my figures yourself, but I believe that is what we must pay the Hodgeman Bus co. for every single year we use their buses. Could we handle our own bus? Could we repair it, insure it, drive it? These are the problems our school board faces on this issue.

(2) Permanent School Building

The state of Illinois has laws under which any community under emergency conditions, such as ours surely is, can apply to the state for aid in building schools. Upon legal proof of need the state will then advertise, take bids, supervise construction of schools, and lease building to the local school system, the original cost to be returned over a prolonged number of years.

Our board has already applied for this! We are now one of the first in the state and have a reply, giving us hope that we will be among the first to have new buildings under this plan.

(3) Population

Here are some figures that really wake you up.

Back a few years ago, this school district (No. 160) had: Pupils: 50, Census: 458.

This year, these figures have leaped to: Pupils: 197, Census: 1,735.

The school board was told that Mr. Merriam now hopes to build 5,000 homes here. Unit No. 2 will be completed by Nov. 1. Builders are trying to pour 100 concrete foundations now before the ground freezes to move new families into Unit No. 3 on the

south side of 183rd st.

(4) How School Began

The three-man board (consisting of Mr. Beam, LeRoy Simmons, and Richard Harding) has labored hard to get our children into the expanded school facilities this fall. Along with them, men from the citizens committee, and ladies from the Mothers' club have also labored long hours.

Who arranged the classroom furniture? Who scrubbed the new raw floors? Who washed the newly installed windows? Who ordered \$2,000 worth of new desks? Who unpacked them?

Who cleaned the school refrigerator? Who dusted, rearranged, raked away construction debris?

That's right. They did it. How can I begin to tell you all the marvelous, selfless accomplishments of this new school board. Well, at least I hope these few lines have given a token of our thanks to them.

CALENDAR OF EVENTS

Friday, Oct. 25

Ladies Auxiliary

Tinley Park American Legion. Newcomers invited. Legion hall, Oak Park and North, Tinley Park. (Fourth Friday of each month).

Sunday, Oct. 27

Lutheran Sunday School

9:30 a.m. In corner school building, 179th and Thomas. Rev. Randolph F. Hahn and Mr. Dick Swisher of Tinley Park.

Wednesday, Nov. 6

Mothers Club of School

At Coopers Grove school, 184th and Central, 8 p.m.

MEET YOUR NEIGHBORS

Mrs. Rita Sterba, 4510 West 180th, is really kept busy with her five young children, ages 5, 7, 8, 10 and baby 1 year old. But even so, she has visited a lot with her neighbors on their brand new street east of the school buildings. When I visited

with her one afternoon, she was very proud of the variety of backgrounds and jobs represented by her new neighbors. She mentioned, in just those few moments: a helicopter pilot, a German war bride, newlyweds, a family from Kansas, and a pilot from TWA. She has a friendly outgoing nature, and said she likes to squeeze in as much reading as possible between family chores. Her husband Stanley works for the Butternut Bread Company.

Rip Jones is a big husky fellow, friendly as the day is long. All his neighbors greet him with smiles and offer him treats whenever his friendly face appears at their windows. His special loves are: children, and large bones. Yes, you might have guessed by now, good old Rip Jones is a giant silky dog. He roams the yards up and down 179th Street near Cicero. Everybody loves him and play guessing games about his special breeding. He's the size of a golden horse but he can't be a horse—because he barks!

Mrs. Pat Hastings is the proud driver of the Volkswagen bus we see parked at 18145 Cicero. Since her husband must drive over to the Homewood IC station every morning, they are wondering if any other families here would like to begin a morning car pool? (Who knows? You might get a turn in Volkswagons, too!) Anyone wishing to share rides, call her at Sy 8-5591.

MR. TOBIN

Limerick, Ireland. It has a beautiful sound, hasn't it? Well, it is not only a lovely name but it gave us our new school superintendent, Andrew J. Tobin. He lived in Ireland for nineteen years and then broke away to sail for America, its promise and its hope.

He came alone and carved his life of education and training. During his youth he studied for his bachelor's degree at Loyola university, then went on to DePaul university for his master's. Some of his work was supervising consolidated schools (both primary and high school combined) in Morgan county and Sangamon county here in Illinois.

In his youth he married and he and his wife had three children—two girls and one boy. The son was killed in World War II. In 1948 Mrs. Tobin died. One daughter is married, and the other is a Carmelite nun at St. Louis.

American history is what interests Mr. Tobin. He subscribes to the exciting bound-magazine named "American Heritage" and says it is the finest publication on the American market. His reading has ranged all the way thru the biographies of our presidents to Senator Robert Kennedy's new book "Profiles in Courage."

When asked his age, Mr. Tobin gave a laugh and a winking nod. "Well, tell them I'm old enough to vote, but not old enough to vote right!"

As for future plans, Mr. Tobin hopes to begin a thoro study of the lives of two American presidents who remain a mystery to our people—James Buchanan and Franklin Roosevelt. "Everyone has read complete detailed histories of Lincoln, of Washington, but very few know yet the complete story behind these two men I've named," he said. "I intend to read at least six volumes pro-Roosevelt and six volumes against-Roosevelt. Only then

can a reader begin to judge for himself what is truth and what isn't."

We can consider ourselves fortunate to have for our principal a man as energetic, spry and witty as Andrew Tobin. After all, it was for our children's sake that we moved out here—and who will be more important to their futures than the man responsible for their school life?

We are happy to know you, Mr. Tobin. Won't you come in and stay awhile?

More good news about the Country Club Hills volunteer fire department!

We now have an acting fire chief, who is Frank Daniels of 18033 Thomas Lane. The volunteers are community minded citizens who will be risking life and limb for the safety of residents of Country Club Hills. For the time being, they hold

their meetings in the model-house office.

They hope that we will soon have our own brand new fire truck and later, of course, our own fire station. We will all be proud to help share the expense of purchasing fire equipment to protect our own property. The men will need rubber boots, coats, fire hats etc.

Every little bit will help and no donation will be too small. So let's roll out the welcome mat when the men come around the village and prove to our volunteers we are behind them 100%.

That's all for now. Call my new number Sy 8-5669, or leave items in my mailbox at 17925 South John ave. Til next week

CAMPUS LAKE—About 200 yards north of Lincoln-Way high school an earthen dam has been constructed at the north end of a large ravine, which drains most of the campus. The dam is expected to prevent further erosion and also impound water to make a small lake

about an acre in size. Soil conservationists recommended the project. It is planned to stock the lake with fish and other specimens to be used by biology students. The lake will also add to the picnic facilities of the campus.

(Robert Porter photo)

FRANKFORT

Mrs. Katharine Heisner
Frankfort 5187

Mr. and Mrs. Wendell Morrison and Mr. and Mrs. Paul Lambrecht were among those from here who attended the Homecoming football game at the University of Illinois Saturday.

Mr. and Mrs. Eugene Batson entertained at a five o'clock dinner Sunday evening to observe the 10th birthday of their son Russell. Guests were Mr. and Mrs. Edward Batson, Plainfield; Mr. and Mrs. William Batson, Mr. and Mrs. Kenneth Waldvogel and sons and Mr. and Mrs. Leo Haakinson and family. Later in the evening ice cream and birthday cake was served. Russell received many nice gifts.

Sunday evening the Senior MYF of the Methodist church with their counselors, the Rev. B. F. Day and Mr. and Mrs. Harry Miller enjoyed a hayrack party, with about 20 members participating. Charles Mark, Sr. drove the tractor. The ride commencing at the Lloyd Heisner farm and ended at the church where several new members were initiated.

Mr. and Mrs. Elmer Batson entertained at dinner Sunday Mr. and Mrs. Glenn Batson, Sylvester Batson, Mr. and Mrs. Clarence Batson and daughter, all of New Lenox; Mr. and Mrs. Edward Batson, Plainfield; Mr. and Mrs. William Hobbs and family, Manhattan; Mrs. Anna Scheer, Mr. and Mrs. Conrad Haakinson and daughter, Miss Lorraine Rerman and Milton Batson.

Mr. and Mrs. Glenn Folkers of Joliet were dinner guests of Dr. and Mrs. W. V. Hedges Sunday evening. Later Mr. and Mrs. Lawrence Woodman joined them when cards were played.

Mrs. Fred Klepper and Bertha Nieland visited with Mrs. Gustav Fink and Mr. and Mrs. S. Hank at Chicago Heights Sunday afternoon.

Dinner guests Sunday of Mr. and Mrs. Arthur Bauch were Mrs. Alvin Bettenhausen, Chicago Heights; Katherine Heisner and Miss Janet Bauch who was home over the weekend from Illinois Wesleyan university and Miss Doris Bauch also a week end guest from Illinois Research clinic in Chicago.

Mrs. Charles Radloff of Oshkosh, Wis., arrived last Tuesday by train to spend about two weeks with her daughter, Mr. and Mrs. Frank Heisner.

Mr. and Mrs. Charles Mark motored to North Judson, Ind., last Thursday where they were dinner guests of Mr. and Mrs. John K. Paulsen.

Dr. and Mrs. O. J. Novota attended the football game at Champaign Saturday.

Women's Guild
The Women's Guild of St. Peters church will meet Thursday afternoon in the church.

Mrs. Gilbert Voss will preside at the business meeting. From 5 to 7 p. m. a chicken dinner will be served to the public. Mrs. Wallace Weichbrodt and Mrs. Donald Schroeder as co-chairman. Other hostesses will be the Mesdames Lloyd Bettenhausen, Emanuel Engleman, Clarence Waldvogel, Burnett Schram, Harold Scheer, Henry Smit, Robert Schweizer, Bertha Klepper, Ted Massey, Roy Koerner, Mary Minger, George Schroeder, Paul Heisner, John Minger, Ernest Pfeiffer, H. Barlowort, Herbert Minger, Harvey Spiess, John Topp, Mae Scheer, Harold Ebert, Walter Zollner, John Funk, Robert Mitchell, Robert Van Rheeden, I. Rudman, and Frank Coppotelli.

Methodist Men's Club

Methodist Men of the Frankfort church met Oct. 16 in the church basement. President Lester Heisner presided. A discussion was held about what the group will do for the new year's program. The desire for a specific project was noted several times by the members.

As a result of this discussion the group made preliminary plans for a potato pancake supper to be served in the new church building Jan. 15. Arthur Bauch was appointed kitchen chairman. Lawrence Woodman will handle publicity and Al Swatek was named kitchen chairman. The men plan to do all the cooking and serving themselves.

Mrs. Otto J. Novota was honored by a surprise party Sunday evening in honor of her birthday. It was given by Mr. and Mrs. Ray Putman. Other guests were Mr. and Mrs. Scherrill Rahm, Mr. and Mrs. Stanley Warning, and Mr. and Mrs. Robert Householder and daughter of Chicago. After a social

etaining refreshments were served.

Harvest Festival and Reformation Sunday will take place next Sunday morning in St. Peters Evangelical and Reformed church by the Rev. Erich Bizer. Canned fruits and vegetables will be brought to the church and will be given to

The Rev. Ben F. Day and Charles Mark Jr. attended the Sub-district MYF planning meeting held Sunday afternoon at the Ottawa St. Methodist church in Joliet.

The Senior MYF of the Frankfort Methodist church will serve their annual Spaghetti supper today, Oct. 24 from 5 to 7 pm. This event is the major fund raising project of the group. Proceeds will be used for the purchase of an outside bulletin board for the new building.

Committees for the event have been appointed by Charles Mark, president, as follows: Kitchen, Donna Miller, Nancy Heisner, Charles Mark; dining room, Norvene Foster, Lorna Miller; publicity, Ann Cummings, Lorna Miller, John Boyson. The public is invited to attend. Counselors for the MYF are Mr. and Mrs. Harry Miller and the Rev. and Mrs. Ben F. Day.

Excessive speed is the most prevalent violation occurring in fatal auto accidents, according to the National Safety Council.

National Tea Sales Zooming Says President

H. V. McNamara, president, National Tea Co., today announced a sales increase in excess of six million dollars for the last four week operating period, and a new all time high in sales for 1957 to date. Sales for the four weeks ending Oct. 5th totaled \$54,821,087 for an increase of \$6,225,058, giving the company a gain of 12.81 per cent over the comparable four week period of 1956.

National Tea Co.'s consolidated sales for the 40 weeks end-

ing Oct. 5, 1957 amounted to \$502,141,426, which compares with sales of \$468,319,855 for the corresponding period of 1956, resulting in an accumulated increase of \$33,821,571 in sales, placing the Chicago based food chain 7.22 per cent ahead of last year for 1957 to date.

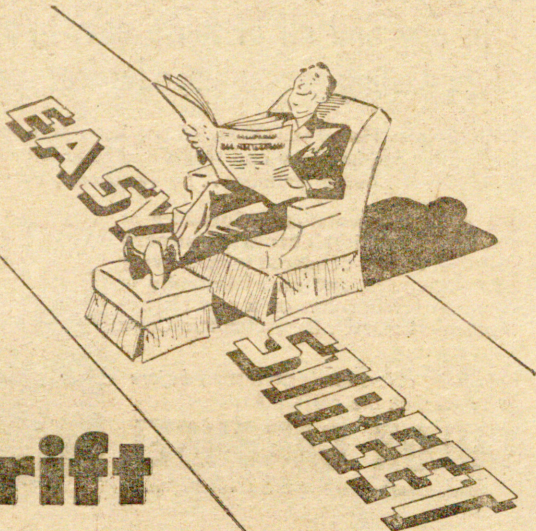

At the close of the last four week operating period Oct. 5, National was operating a total of 866 stores as compared with 755 stores in operation at the close of the same period a year ago. For the year thus far National has opened 51 new super markets in eleven of its branch operating areas, of which 36 are installations in new locations and 15 are relocations of former stores, which have become outgrown. An additional 105 stores were obtained by the company thru its acquisitions in Denver, Colorado and Sioux City, Iowa. The most recent acquisitions announced by the company, including the nine store chain of Logan's Super Markets at Nashville, Tennessee and the seven store chain of DeVan's Food Stores at Mobile, Ala., acquired late in September have not been included in the company's report of sales or stores in operation. Excluding new acquisitions for this year, the company was operating 761 stores as of Oct. 5, 1957, as compared with 755 stores at the same time a year ago.

Carbon Monoxide Deadly Stuff — Sneaky Too

Motorists face a deadly enemy in carbon monoxide. The colorless, odorless, tasteless gas may become a sneaking killer in cold weather, the Chicago Motor club warns.

Even small doses of the lethal gas may cause an accident by slowing down the driver's reaction, the motor club explains. One part of carbon monoxide in 700 parts of air can be fatal, and one part in 1,700 parts of air can cause nausea.

Nausea, drowsiness, headache, delayed braking reaction, faulty coordination, and poor vision are warning symptoms of carbon monoxide. When these reactions are noted, car occupants should immediately inhale deep breaths of fresh air.

Urges Precautions

Carbon monoxide is produced by imperfectly burned motor fuel. An excess may be produced by faulty engine adjustment, but even the best adjusted engine may leak enough carbon monoxide to be fatal. Chief danger points are faulty gaskets, defective exhaust systems and clogged exhaust pipes.

To avoid being overcome by carbon monoxide, the motor club recommends the following precautions:

—Never run a motor in a closed garage or other unventilated enclosure.

—Always keep a car window open to assure air circulation.

—Shut off the motor if you

are sitting in a parked car for more than a few minutes.

—Check your engine for proper combustion.

Check all points of the exhaust system for leaks and stop-

page. —Remember, the exhaust pipe may become clogged by backing into a snow bank.

communist sympathies in Syria, Egypt, and some of the Far East and confirmed neutralist policies of India, Indonesia, Ceylon, etc. This means no possible let down in our foreign aid program and likely an increase.

Some of us forget that we have been in the midst of what is called a "cold war" for a number of years. In our modern world, wars can be successfully won without the firing of a single shot. The important strategists of the modern world are what is known as "geopoliticians" who use a knowledge of geography and economics, to strangle a country. Hitler tried it and nearly succeeded.

Oil Potent Stuff

If Russia could control the Middle East and its oil, she could struggle the industrialization of Europe and force some of European countries to buy and sell in markets chosen by Russia. This is only one facet of the economic pressure possible. The idea is to use whole populations in their efforts and to foster economic chaos to achieve control. It is rather involved and guided by scientifically trained men.

Governments have a difficult time explaining it to their people as it does not lend itself to the dramatization which is possible in the shooting war. The activity and scramble of governments may well be in an isolated spot on the globe that to the average person, is far removed from his own life. Russian expansion under the Communists is more ruthless, but varies not at all from the efforts of that government for several hundred years.

Women drivers were involved in 4900 fatal accidents during 1956, the National Safety Council reports. More than 42,000 men fell into that category. There are about 22 million registered women drivers, 55 million men.

MAURICE P. ANGLAND

During the past week or ten days, a great deal has been said about the effect of the Russian "first" in getting the satellite into outer space. As might be expected quite a number of admirals and generals minimized the importance of this first. The least that can be said of the Russian achievement is that they do have a missile which could hurl this satellite about 500 miles into the air. We do not have such a missile!

It is most fortunate for our military leaders that congress is not in session and will not be, ordinarily, until January.

A number of financial commentators now state that (1) if you believe that the Russian Sputnik will not bring on greater governmental spending and further inflation, confine securities purchases to the conservative investments as we are likely to have a continuation of Federal Reserve "tight" money policy until after the first of the year and that the debt ceiling of \$275 billion for government borrowing will not be increased by the next congress; and (2) that if you do believe that our lack of a missile comparable to the Russian achieve-

ment, will bring on further government spending and more inflation, there are a number of very attractive industrial securities at these price levels.

Sputnik Changes Policy

The conservative U.S. News and World Reports, compares the Russian achievement to our splitting of the atom. Some of our scientists and military people believe that we must have at least equalled the Russian achievement soon or our military position will be impaired.

Certainly launching of the Russian missile has changed conditions governing U. S. foreign policy. It has strengthened

The Way Of The Transformer Is Hard

MOVING GIANT TRANSFORMER from a Wabash spur at Orland Park to the site of the new Public Service Co. power transmission station near Goodings Grove in Homer township was a herculean task, accomplished without mishap by Shea-Matson Co., machinery movers

of Chicago. The transformer weighed some 150 tons. The picture above shows the massive package after it had been jacked-up from a special railroad car to a trailer made especially for the job and equipped with 46 wheels.

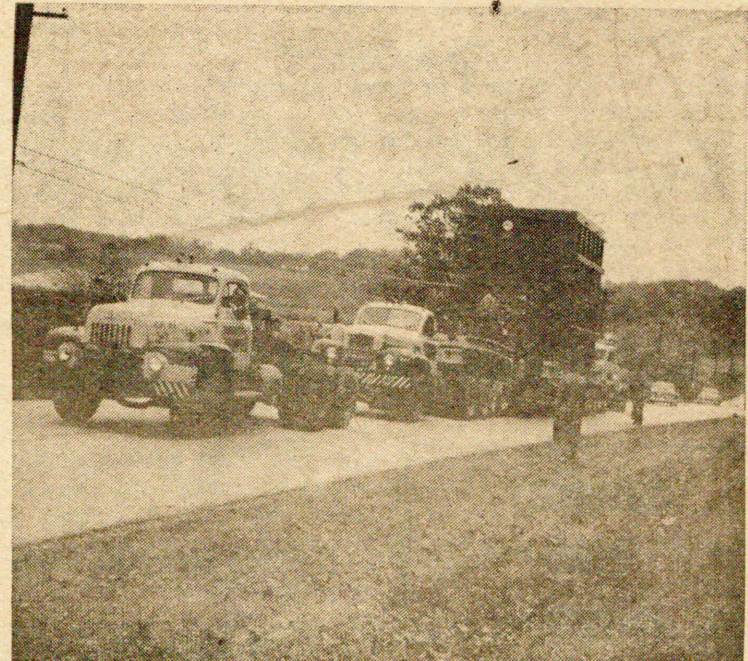

PULL AND PUSH DOES IT and with two tractors in front and one lashed on behind the steepest hills between Orland Park and Goodings Grove are flattened out. On the way up the tractor at the rear pushed while the two in front pulled.

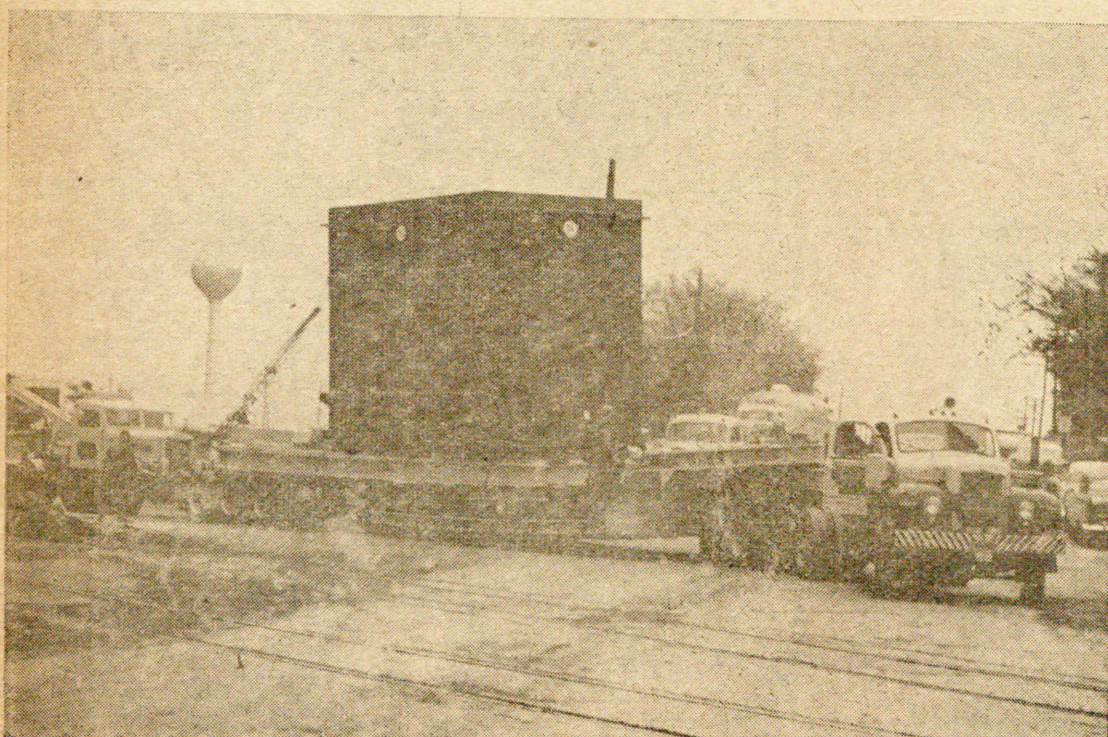

LEANERS DON'T COUNT and the crew moving the transformer were not too concerned when the load tilted a bit as it started out but the movement drew some gasps from the scores of spectators attracted to the spot. The crew

doing the work figure the center of gravity was just right and apparently it was because in the picture below you can see that the trailer has reached

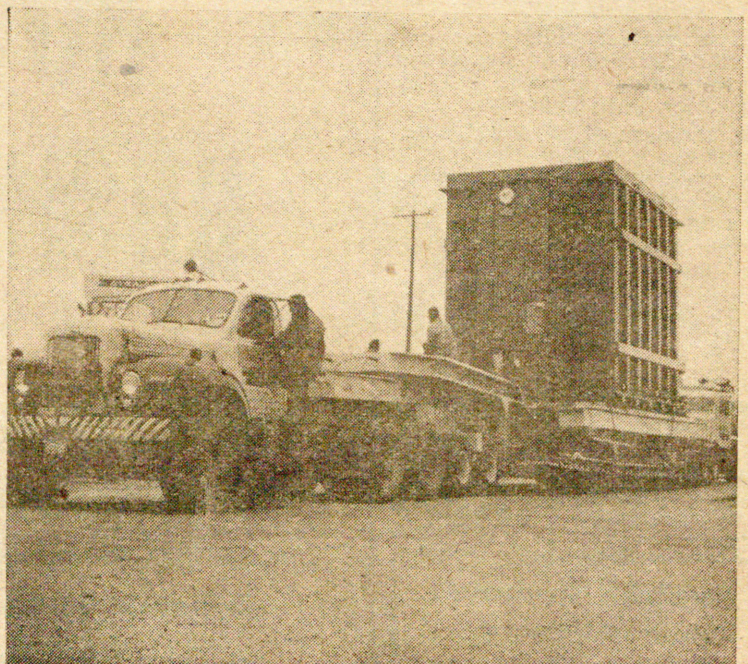

STEADY DOES IT—but still it is a long way to the top with 150-tons dragging behind. This picture was taken on 143rd st., near 108th ave., where the grade levels out for a short distance before plunging down again. At the top of a hill the extra trailer in front was unhitched before the descent was begun but the tractor at the rear remained lashed to the load, pushing when the way was up and acting as a brake when the way was down.

THE OPEN ROAD and all that is between this 150-ton load and its destination are several long hills and a few right-angle turns. This would be enough to cause anyone else to take up some other type of occupation but

it's all a part of the day's work with these machinery movers. At the wheel of the tractor coupled directly to the trailer is Charles Stewart of Orland Park.

TIME FOR A BREATH—For a moment or two the trailer will be level for at 108th ave. there is a flat spot—or comparatively flat—and the crew uses it to unhitch the front tractor, inspect the outfit and the lashings that hold the load, light a fresh smoke and then move on. (Photos by Robert Porter)

POST OFFICE GOES MODERN

The post office, according to information sent out to the postmasters, is going modern.

To prove their assertion, post office press agents, say they have a film showing what the department is doing.

The film carries the title, "Men, Mail and Machines," and any civic, church, school or social group who would like to see it may get in touch with the local postmaster.

Naturally the new gadgets will not be installed in the little postoffices. They will be put in what are called the gateway offices, and the department's publicity department points with pride to the speed with which the mail will pass thru the electronic devices in these big offices—like a greased shoat in a chute.

There should be a demand for this film because there are many persons who would like to see a speed-up of mail deliveries, even if only on celluloid.

What good it will do to rush mail thru the gateway post offices is not clear. And what is a gateway post office, it would seem is the gateway to bottlenecks, superinduced by trucks?

Several years ago the master minds of the post office department decided that the trains that had been doing an excellent job of carrying the mail for many years should be supplanted.

This move was labeled a progress by the post office. By means of it our area now receives two batches of mail a day instead of four as was the case when trains carried the mail.

This is a distinct improvement anyone will admit, especially in view of the fact when the area mail was carried by train it went direct. Now, thanks to progress, the mail travels a devious route that requires one or two days instead of a couple of hours.

It is approximately nine miles from Mokena to Tinley Park, but a letter mailed in either of these places intended for the other has to travel some 70 miles to reach its destination. A letter mailed in Mokena is trucked into Joliet, trucked to Chicago and finally to Tinley Park. Mailed at Tinley, the process is reversed.

Announcement that the post office is going all out for progress and modern methods causes us some alarm. We fear that the post office brass may put satellites into use to carry the mail. Of course, the most it might get carried into outer space and wander around for years before getting back to earth but look at the speed it would travel while it was traveling.

If the post office department wants to speed up delivery of mail in this area, we respectfully suggest that it throw away the trucks and planes and put in ponies.

Auto accidents kill more persons under 65 years of age than any other type of accidents, the National Safety Council says.

New Lenox Couple Leaves for Hawaii; to Make Trip by Air

Earl Moss, International Harvester dealer in New Lenox left Monday Oct. 21 on a luxurious all-expense trip to Los Angeles, and Hawaii for himself and Mrs. Moss, according to an announcement from Harvester's district farm equipment sales office at Broadview, Ill.

Mr. Moss won the trips to Los Angeles, and a five-day visit to the islands for the Moss Equipment's outstanding sales performance this year with deliveries of Farmall and International tractors and McCormick combines and balers.

In Los Angeles the Mosses will attend the National Retail Farm Equipment Association convention, various parties, luncheons and dinners and visit Disneyland. On their final night in Los Angeles they will be given a festive Hawaiian evening with a Honolulu luau party at the new Cocoanut Grove of the Ambassador hotel.

The Moss's will fly from Los Angeles to Honolulu where they will stay at the Hawaiian Village hotel, Waikiki beach, for nearly a week of swimming, sailing, surfing, and touring the island.

Card of Thanks

We wish to thank our relatives, friends and neighbors who helped in many ways to make our 45th wedding anniversary celebration, a pleasant and memorable affair; we also want to thank those who sent cards, flowers and gifts. It will always be remembered by us.
Mr. and Mrs. William Seeman
Frankfort, Ill.

To all my neighbors, friends and relatives, a hearty thank you for their cards and flowers sent to me while a patient in the hospital. I appreciated everything very much.
George Wannemacher,
Mokena, Ill.

Tinley Park Cub Scouts of Pack 253 want to thank every one who helped them make a successful paper drive last Saturday. The results were beyond all expectations.

Satellites May Unravel Cosmic Ray Mystery

"Sputnik" and its faint beeping from outer space may lead the way in solving one of the most baffling mysteries in the world of science—the nature and source of cosmic rays.

Information transmitted by space satellites will help scientists track down the strange radiation that has defied scientific curiosity for 50 years, according to a film study of cosmic ray research which will be presented on a nationwide TV network tomorrow night.

"The Strange Case of the Cosmic Rays," latest in the Bell Telephone System Science Series TV programs, will be shown Friday, Oct. 25, over WNBQ Channel 5, at 8 p. m.

Conceived as a scientific detective story, the program combines live action with cartoon animation to tell the story of a half-century hunt for the mysterious rays.

A Detective Story

Following the telecast, 16 mm. color films of the program will be made available by Illinois Bell Telephone Company

to schools and other interested groups.

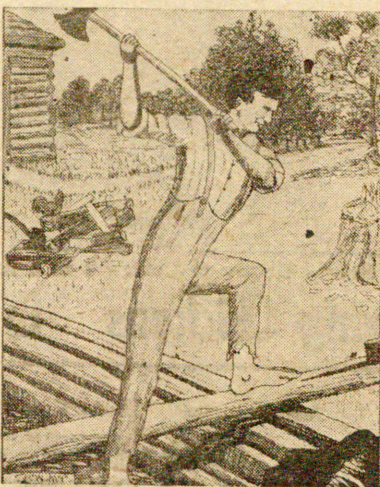

Actors Richard Carlson and Dr. Frank Baxter star in the 45-minute science show, as they tell the tale of cosmic ray research to three master detective story writers trying to pick the best mystery story of the first half of the 20th century.

Life-like puppets personify the famous writers Edgar Allan Poe, Charles Dickens and Feodor Dostoevski.

The program is being presented during the International Geophysical Year, an 18 month period when scientists are co-operating in world-wide experiments and observations in the fields of "pure" science. Cosmic ray study is one of the most important of these.

During the program pictures of cosmic ray "tracks" are presented on television for the first time.

The Lincoln Log

FUTURE HOMEMAKERS

Thirty-nine FHA girls from Lincoln-Way, Miss Ann Walker and Mrs. Mildred Foster, sponsors, and Mrs. William Heidrich, chapter mother attended the Section 20 Fall Festival Thursday, October 15, at Peotone.

Norma Heidrich, Section 20 vice-president, led a discussion group for chapter vice-presidents and L-W's sophomore girls' sextette under the direction of Tom Olson presented several selections.

COLLEGE NIGHT

Representatives of twelve colleges in Illinois and Indiana have been invited to attend the first college night to be held at Lincoln-Way on Nov. 18, 8:30 p.m.

Students and parents interested in college planning will be invited regardless of the student's year in school. The main purpose of the meeting is to give parents a chance to get first-hand information about various schools.

Some general orientation sessions will be held with interested students prior to college night so that they will be better prepared to obtain information from the college representatives.

DEVELOP POND

The Future Farmers of America in cooperation with the Will county soil conservation service has developed plans for a school pond on the campus behind the school.

The contract was awarded for the removal of trees below water level and for the construction of the dam. Thanks to Frank Goetschel and Fred Weitendorf the mechanical spillway has been completed.

Plans are to stock the pond with fish from the state hatcheries.

Guesses are quite varied as to how long it will take the pond area to fill up with water.

CO-REC NIGHT

The social committee of the Lincoln-Way faculty has planned a co-rec evening for members of the staff on Oct. 23. Chairman of entertainment is Albert Buckowich. After recreation Kenneth Kinney will serve his famous goulash. He will be assisted by Mrs. Della Hussey and Miss Margaret Gentry.

FOOTLIGHTERS

Mrs. Sullivan and Mr. Cook have chosen the plays and the casts for the Footlighters' 57-58 season. "The Still Alarm" by George Kaufman features Don Lehmann, Stan Barnett, Bill Dusek, and Gene Martin. In "High Pressure Area" by Nora Stirling, Dona Anderson has been cast as Ruth, Heleen Sheridan as Sally, Pat Bradley as the

mother, and Ken Weber as the father. The cast for "Ladies of the Mop" is Linda Ruhle, Penny Spiewak, Bette Groes, and Judy Eden.

The play will be presented "in the round" in the school gym on November 8 and 9.

FFA OFFICERS ATTEND MEET

The Future Farmers of America participated in Section Ten's FFA Officers' Leadership training school on Oct. 3. The school is a one-day affair for all officers of each chapter in Section 10.

The object of the school is to give the boys an opportunity to learn new and better methods of conducting a meeting and taking leadership in community work.

The meeting this year was at Momence high school, where the officers of Section 10 opened the meeting. Mr. Jenkins, the principle of Momence welcomed all participants.

After the training period, new officers were elected for the year. Harry Johnson, an 18 year-old senior was selected for the office of Sentinel for Section 10. This is the first time a Lincoln-Way boy has held a sectional office. Harry is also reporter for his own chapter.

To end the day, the boys were honored at a banquet and entertained by a traveling German band.

VISIT U. S. COURTS

On Oct. 9, the first of four American history classes from Lincoln-Way visited the federal offices in Chicago. Among the offices visited were the office of secret service, the federal court. Students had the opportunity of witnessing the trial of Julian Black who was being prosecuted in District Judge Sam Perry's court. Judge Perry took time out to explain to the students the nature of the case.

Three other trips are being planned on October 24, 28, and 31 for history students. Teachers accompanying the groups will be Mr. Earl Dieken, Miss Mary Fulton, and Kevin McGivern.

THE SPEAKER SPEAKS

American history classes at Lincoln-Way had the opportunity of hearing Warren Wood, speaker of the Illinois House of Representatives, on Oct. 18. This was the culmination of the study the classes have been making on government in preparation for the constitution test. Mr. Wood's long years of experience as a state representative enabled the students to gain considerable insight into state government activities.

F.T.A.

On Nov. 6, 1957 the Future Teachers of America of Lincoln-Way will sponsor a school night for all parents who have students in school.

It will be held after the regular P.T.G. meeting that month.

Parents will follow their son's or daughter's schedule that evening. Each class will be about ten minutes long. After classes refreshments will be served in the cafeteria.

Motorists easily fall into one of the greatest dangers facing expressway drivers, "high way hypnosis." Express roads with no curves, no oncoming traffic, or no intersections are conducive to sudden drowsiness. Keep alert on expressways, the Chicago Motor Club advises.

Fire losses totaled nearly a billion dollars in 1956, the National Safety Council reports.

EIGHT IMPORTANT WAYS

The Chicago Motor club rec-
ommends eight ways to stay
alert while driving: Avoid heavy
sleep-inducing meals; wear com-
fortable clothing; avoid long
driving periods; glance at pass-
ing scenery occasionally; listen
to stimulating music; talk with
others; don't oversmoke; watch
road markings.

FARM NEWS

For
Cook County
by
**W. F.
Whiteside**

assistant farm adviser

This is the time of the year when winter is creeping upon us and sometimes we are not prepared for it. Even though it has rained recently, check your evergreens that are close to the house or under the eaves, to see if they have plenty of water. Lack of moisture will cause them to "wind burn" through the winter. It may also cause them to die. If you have not watered your evergreens this fall, you had better do so before the ground freezes. Let the hose run slowly near the shrubs until the soil is near saturation.

—o—
We have had inquiries lately about "green plasma". Promoters of the projects have described it as a sensational color restorer for lawns, discovered by a German scientist and tested by the U. S. Dept. of Agriculture. The product is further claimed to be the "very same type wonder treatment" used on the capitol lawn in Washington, D. C.

Scientists of the USDA's agricultural research service who test plant foods and fertilizers and dyes sometimes used to color plants, point out they have not tested the advertised product and have no recommendations regarding its use.

Advertisements claim that, by sprinkling a small amount of the product on lawn, the user can prevent worries about a burnt-out lawn and will not have to "spend time, energy and good money on fast green-fertilizers and plant foods." H. R. Kemmerer, landscape extension specialist, University of Illinois, still recommends adequate water, plus lime and proper fertilizers, when needed to maintain or improve the quality of your lawn.

—o—
The date set for Cattle Feeders day at the University of Illinois is Friday, Nov. 1. The program will start with a tour of the beef cattle barns at 9:00 a.m. If you would like to know more about the program, contact my office.

—o—
The 1957 Florist institute will be held Nov. 19 at the University of Illinois. All florists and their employees are cordially invited to attend, says F. F. Weinard, head of the division of floriculture.

—o—
You've heard the saying, "Clothes make the man." But not only can clothes make the man—they can also be the cause of his death.

The records show that the wrong kind of clothes is often responsible for accidents around corn harvesting machinery. A man running a corn picker should wear snug fitting but comfortable clothes that won't catch on moving gears, belts, shafts and other machinery parts. Even a smooth shaft can grab a torn pants leg, beginning with one little thread, and then gobble up the rest of the pants—with the victim in them.

Watch the kind of gloves you wear, too. No gloves at all are safest, but if the weather makes them necessary, they should be cloth without floppy gauntlets. Steer away from double-thumb gloves especially. Leather gloves are not as safe as cloth gloves because they won't pull off as easily if they become caught.

—o—
About 96 percent of U. S. farms and ranches are family-operated, the same proportion as 30 years ago, says the USDA.

Be a smart motorist and check the gauges on your instrument panel often. Gauges indicate more than speed. Read them correctly and learn to interpret the readings.

Army Engineers To Ask Bids On Cal-Sag Lock

A major portion of the Calumet-Sag channel widening project is expected to start the early part of next year with the awarding of a contract by the army corps of engineers, according to Col. John B. W. Corey Jr., Chicago district engineer.

The engineers expect to call for bids on a new lock and controlling works in the Calumet river and to start construction immediately after the contract has been awarded. The entire project, which was started in November 1955, is expected to be completed in 1961 or 1962, at a cost of \$102 million.

The lock, which will cost an estimated total of several million dollars, will be located at 133rd st., approximately a mile south of the entrance to Lake Calumet.

It will be 110 feet wide and 1,000 feet long, and will replace the antiquated lock at Blue Island which is 50 feet wide and 360 feet long.

The Blue Island lock, which controls the diversion of water from Lake Michigan, is the narrowest place on the Calumet Sag channel. The 16 mile channel is a basic link between Lake Michigan and the Illinois Mississippi river system, and is being widened from 60 to 225 feet.

The federal government will pay \$79,100,000 of the cost of the project and \$22,335,000 will be borne by local interests. A bill now in Congress would cut local participation by \$9,884,000 and switch that amount to the federal government.

Traffic to Increase
The channel is being widened to handle the increased flow of traffic expected when Chicago becomes a world port in 1959 with the opening of the new St. Lawrence seaway.

Work has started on two of the 20 railroad bridges that must be rebuilt to cross the wider channel. Those started are the Gulf, Mobile and Ohio at the west end of the channel and the Michigan Central at the east end near Lake Calumet.

Lengthening a bridge creates extensive costs, Corey said. Overpasses must be built and grades changed. For four railroad bridges in the Blue Island area, 19 structures must be built.

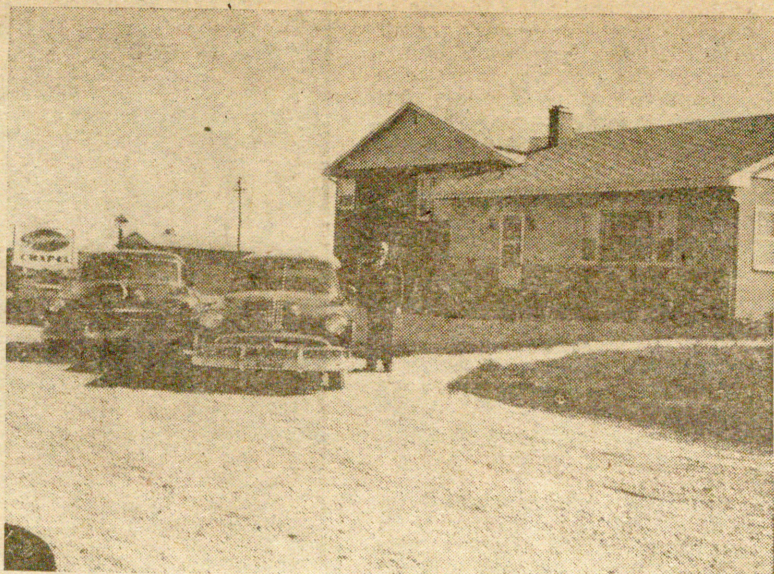

Work is now under way on widening of the west 10 miles of the channel. Contracts for the last six miles will be awarded in groups of three miles, but this will not be done for about two years, Corey advised.

Scouts See Tinley Board in Action

Three Tinley Park Boy Scouts and two Explorers attended the meeting of the village board last Monday as one of the requirements towards earning their Citizenship in the Community merit badges.

The boys from troop 255 were Bill Klecka, who has only one more badge to earn in order to obtain the coveted Eagle award; Dick Virtue, and Pat Robinson. The Scouts in the newly organized Explorer Post, which will be formally recognized this month, were Bruce Klingaman and Mike Crapser.

The boys were officially welcomed at the meeting by President Elmer H. Knudsen.

OPEN FUNERAL HOME—John C. Baskerville, has opened a funeral home on the east side of New Lenox, on U.S. 30 at Robert street.

The Bremen Beat 1957 Corn Crop Is Smaller And Price Lower

by EDWIN BRUELL

As an aid to learning at Bremen community high school the Projectionists' club shows hundreds of educational films at the school during the year.

The group has charge of the motion picture projectors, public address system, tape recorder, film strip machines, opaque projector, and recording machines. Joseph Cordaro is the faculty sponsor.

Members learn the operation and functions, mechanical and electrical, of each of the audio-visual aids, so that they are able to use them and to take them apart for repairs.

Each new student operator receives two weeks of instruction, after which he is required to pass a projectionist's test before he is able to operate any of the equipment by himself.

Besides these activities, members will sponsor a pow-wow dance Friday, Dec. 6, and a full length motion picture Friday, April 25.

Members are selected on the basis of their academic ability and their co-operativeness.

Officers are Bob Luster, senior, president, who has four years of experience in audio-visual; Rich Gallagher, junior, vice president; Linda Walton, senior, secretary; and Pat Sabbin, sophomore, treasurer.

Other members are Bill Luster, Joe Mikos, Jim Hood, Bob Detrick, Bob Jirka, John Bevan, Ron Kozel, and Walter Reznik. New applicants for membership are Kenneth Mager and Fred Heft.

Warren Culbertson and Rollin Jenkins are assistant faculty sponsors.

BOYS CLUB

The Boys' club of Bremen Community high school will hold a gym-jam Friday, Oct. 25 at 7:30 p.m., at which those who attend will participate in basketball, volleyball, shuffleboard, and pingpong in the school gymnasium and dancing in the cafeteria. Members of the Boys' club and the Girls' club are eligible to a 10 cent reduction in the regular admission price of 35 cents.

A bowling tournament at South Holland is planned for Boys' Club teams under the direction of Lee Cox, faculty sponsor, and Wallace Carpenter, assistant sponsor. Several swimming parties are in the offing when the new Bremen pool is ready. Before that time the swim meets will be held at Thornton high school, Harvey.

A pow-wow dance on Friday, Jan. 10 and a father-son stag on Friday, March 21 are also in the plans for the year.

When the cold weather arrives, tobogganing at Palos Park will be in order.

At present the Club is organizing interest groups within the organization, such as chess fans and coin collectors.

After the election Thursday, Oct. 17, a program committee will be organized to present the program at regular meetings after school every other Thursday.

Of the 95,000 accidental deaths in 1956, 28,000 occurred in the home—second only to the highway as No. 1 booby trap for Americans, the National Safety Council reports.

Other Grains Up

The oat and barley crops are around 16 per cent larger than last year. Production of sorghum grain will be near 500 million bushels, over twice as much as last year's crop and three times the 10-year average.

The supply of feed grains in millions of tons for this marketing year is as follows (figures for last year are in parenthesis):

Carry-over	48 (43)
Corn	90 (97)
Oats	21 (18)
Barley	10 (9)
Sorghum	14 (6)

Total 183 (173)

The carry-over consists of corn owned by the government (CCC). The CCC sold over 300 million bushels of corn during the year ended Sept. 30 and is expected to sell as much or more during this marketing year.

Heavy Carry-Over

The supply of feed grains in sight exceeds prospective use and exports by around 5 million tons. Thus the carry-over next fall may be near 48 million tons, up about 10 per cent over the 1957 level.

While congress cannot set the price of corn by legislation, prices are influenced by price-support programs, at least in the short run. Farmers put large quantities of eligible corn under price support when the market price drops more than about 10 cents a bushel under the support level. The general price support level is \$1.10 a bushel compared with \$1.25 last year.

The support rate for complete corn averages \$1.40 compared with \$1.50 last year. While a smaller proportion of farmers may be eligible for the higher loan rate this year, more corn may be placed under loan. The reason is that production is much greater this year in the western part of the corn belt, where farmers usually put large amounts under loan. Last year many farmers in the best corn areas of Iowa and Nebraska had very poor crops—and some had complete failures.

1957 Vintage Queen Chosen

Here's an irresistible combination: A lovely girl, a bountiful vintage and quality wines from America's Wine Land—the State of California. It all adds up to this year's approaching National Wine Week, October 12-19.

Smiling from a vineyard is Dee Hardy, California beauty selected by California's wine growers as their 1957 Vintage Queen. With her wide hazel eyes and auburn hair, 23-year-old Queen Dee symbolizes the goodness of California wines and the charm of the wine growing areas of the State.

The Vintage Queen will reign over the nationwide observance of Wine Week, and she invites all Americans to join with her in celebrating the excellence of California wines. Part of her regal duties as Miss California Wine include the task of promoting greater appreciation of wine and its contribution to the enjoyment of everyday dining and special occasion entertaining.

California's eight wine-grow-

ing districts are sources of superb wines in the five major classifications. These include the Appetizer Wines such as Sherry and Vermouth. Dinner Wines, both Red and White: among the famous red wines are Burgundy, Claret and Cabernet, with California's native Zinfandel rated one of the great Clarets; among white wines are outstanding Chablis, Riesling, and Sauterne. Equally popular are the Sweet Dessert Wines including Port, Tokay and Muscatel. Growing in popularity are the fragrant, all-purpose use wines, which come under the category of dinner wines. And, of course, the Sparkling Wines are becoming increasingly popular. These include Sparkling Burgundy, Champagne and Pink Champagne.

Permits Issued For Frankfort, N. Lenox Homes

Seven permits for new homes in New Lenox and Frankfort were issued by the Will County Zoning Office within the past few weeks.

They were issued to the following for the evaluation named:

Gossack Development Co., 804 Wenberg ave., New Lenox, five room frame house, south side of Michael Lane, west side of Cedar rd., \$10,000.

Ceward W. Batson, 409 N. Cedar rd., New Lenox, five-room frame house, south side of Hillside rd., west of old New Lenox rd., \$10,000.

John Techman, 820 Ogden ave., New Lenox, six-room frame house, NE corner of Francis rd. and Elm st., New Lenox, \$15,000.

Jacob Hoogstra, route 1, Lockport, for two frame residence with attached garage, east of Elm st., on Maple Lane, New Lenox township, \$12,000 each.

Vernon Mangun, 612 Second ave., for two four-room frame houses; one on the south side of Wallace, east of Elm drive, New Lenox, \$6,000, and one on the north side of Wallace, east of Elm drive, New Lenox, \$7,000.

James L. Bowman, 51 Cherry Hill rd., five-room brick house, south side of Erskine rd., west of Pembroke, New Lenox, \$15,000.

William R. Knippel, Frankfort, six-room frame house, east side of route 45, a block north of the Lincoln Highway, Frankfort, \$10,000.

Milton W. Harms, 80th ave., and Lincoln Estates, Frankfort, five-room frame house, west side of 80th ave., a block north of Lincoln Highway, Frankfort, \$9,000.

Will County Youth Club Holds Halloween Dance

The Will County Town and Country Youth club is planning a Halloween masquerade dance to be held at 8 p.m. Saturday, Oct. 26, in the Green Garden hall.

The party is free and open to the public. Refreshments will be served. All attending are expected to wear a costume. Chairman for the affair is Lennie Arnold.

The club is happy to welcome Mrs. William Shinn, of Lockport as adult counselor. Members feel fortunate in having such an interested and enthusiastic leader.

The officers met Oct. 15, in the home of president Eugene Leighty to outline a program for the coming six months. Handling the program will be Eugene Leighty, Phillis Rosendahl, Bill Kluis, Lennie Arnold, De-lore Mundt, Ronnie Artman, Elaine Miller, Arlene Ponton, Fred Kuntz, and Ray Schiflen. A group who are square dance

enthusiasts are trying to acquire some square dance calling skill to assist the recreation chairmen in their efforts to provide some fast-moving, friendly fun at each meeting.

There were 34 members present at the October meeting. The November meeting will be held at 8 p.m. on the 13th, in Green Garden hall. All young unmarrieds over 18 years are invited.

FESTIVITIES:— (Continued from Page 1)

carried the official can of UNICEF (United Nations Children's Educational Fund) in which they ask all to contribute a rattle, dime or as much as one feels able to do.

The school children are happy to do this instead of gathering treats for themselves. The Halloween pennies will be sent to the U. S. Committee for UNICEF at New York and from there will be sent to "all the world's children," thus expressing the good will of America.

Last year UNICEF brought aid to 37 million children and their mothers in almost 100 countries and territories. Five cents provides penicillin to cure one child of yaws; one cent provides vaccine to inoculate one child against TB and one cent also provides five large glasses of milk. This UNICEF Trick and Treat is being sponsored by the Mokena PTA with Mrs. Everett P. Heinecke, chairman.

Of course there will be other children in the lower grades who will be calling at homes under the usual "Tricks and Treats" routine.

VANDALS:— (Continued from Page 1)

visible. Several of the broken monuments are of the pillar type, that had been standing for most of the century. Among them was one that marks the Haven plot, one of the pioneer families of the area, another pillar type stone that was broken stood on the grave of Lena Sharts. A tablet type marker carrying the name of Josie Sharts was also broken.

A monument that carries the name Hine—the first names are illegible—has been uprooted and another, erected for members of the Long family, is broken, as is one for the Leisures.

The stones on the Wason plot and three bearing the name of Groth, father, mother and son, are also damaged.

Police Commissioner James Battle was informed of the vandalism Sunday evening by Policeman George Kennedy and in turn notified the sheriff's office. The damage was done last Sunday night.

What will be done to repair the damage at Maplewood has not been determined. Mrs. Albert Schmuhl, president of the cemetery board, has called a special meeting of the board to be held next Tuesday afternoon at 1:30 o'clock in the library to discuss the situation.

There are no family member left in some instance so what is to be done about repairing the damage is a problem not yet solved.

More than twice as many males as females are killed accidentally each year, the National Safety Council reports.

During 1956, 1,400,000 persons were injured in motor vehicle accidents, the National Safety Council says.

DAMAGE TOMBSTONES—Vandals caused hundreds of dollars of damage in breaking and overturning monuments in Maplewood cemetery at New Lenox last Sunday night. Approximately 40 stones were uprooted or pushed off their bases. (Robert Porter photo)

Lincoln-Way Board To Make Study Of Educational Program Offered

At the last regular meeting of the board of education, of Lincoln-Way high school, it was decided to hold one special meeting each month to study the educational program. Since most of the regular meetings have to be devoted to the usual business, little time remained to study the work going on in the various departments at school.

The first such meeting will be held this Thursday night, Oct. 24, in the school's office. Two faculty members, Dr. Ralph Wright and Earl H. Dieken have been invited to attend in order to explain the work and courses in their respective fields. Mr. Dieken works closely with all of the teachers in development of the curriculum with special emphasis in the English courses. Dr. Wright works with all of the teachers in guidance and is in charge of the extra curricular activities.

Each month two or three of the staff members will be invited to these meetings in order to explain their work and present any special needs or problems.

Annual Reports Filed

The annual North Central Association and the state department of public instruction reports have been completed by the Lincoln-Way staff and filed with these respective offices.

Both organizations require a detailed report of the finances including an official copy of the budget. They also are interested in the qualifications and credentials of all new faculty members, along with their salaries.

The state report is required in order to be eligible for state aid, while the North Central Association represents the highest standards for scholastic recognition and approval.

Teachers Qualified

All secondary school teachers are required to be adequately prepared in their respective teaching areas. These requirements are in addition to their regular teaching certificates. The state department of education has established certain minimum and superior standards for the desired training in the subjects taught.

Lincoln-Way has 20 staff members with master degrees, and 13 with bachelor degrees. Most of these teachers have completed considerable additional graduate work. All chairmen of the various departments have their master degrees.

Encouraged by the success of Virgil Hammond who won a national merit scholarship last year, twenty Lincoln-Way students took the scholarship qualifying tests on Tuesday of this week.

Take Scholarship Tests

This test was given in high schools thruout the nation at 9:00 a.m. Tuesday morning and was two hours in length. The S.Q.T. is a high-level scholastic aptitude test designed to select monuments are of the pillar type, that had been standing for most of the century. Among

students of high verbal and quantitative ability. It has helped to fill the need for a single test adapted to similar selection requirements of many scholarship programs. Since the test is given on a nation-wide basis, high test scores are an advantage to students seeking many scholarships not directly connected with the program.

Virgil Hammond who was among the 838 merit scholarship winners thruout the nation last year is now enrolled at Illinois Institute of Technology in the field of electrical engineering. Lincoln-Way participants this year were:

Stan Korista, Helen Sheridan, Bill Dusek, Don Lehman, David McGuire, Terry Marshall and Garret White.

Also Barb Rollings, Henry Barnett, Stan Barnett, Joe Sluis, Carol Werner, Tom Dunham and Ted Dunham.

And Wendell Anderson, Dave Gilmore, John Marcoux, Leonard Senglin, Ken Weber and Buddy Lail. The tests were administered by Ralph E. Wright, Director of Guidance.

Children outrank sharp knives and hot burners as a hazard in the kitchen, the National Safety Council says.

Accidents in 1956 took the lives of nearly 35,000 persons in the prime of life—15-44 years of age—the National Safety Council reports. An additional 19,400 persons 45-64 died from accidents.
